

COUNCIL

17TH MAY 2019

PUBLIC QUESTION TIME

Mrs Hilary Ranford has asked the Cabinet Members for Corporate Services and Operational Excellence:

In January this year the Council responded to residents' concerns about the existential threat of climate change by establishing a Climate Change Working Group. The Swindon website lists 31 types of meeting held by the council – from the Schools Forum to the Town Twinning Network - each with minutes and agendas. In view of the importance of the issue of climate change, would the Council assure me that the same information will be provided for the Climate Change Working Group?

In addition could you please confirm when the first meeting will take/ has taken place?

The Cabinet Member has responded:

Thank-you for your question. A written response will be provided.
