Subject: Expansion to Haydonleigh Primary School

I am a resident who lives near this school, could you advise what the proposal is with regards to parents dropping their children off at school. Irresponsible parking by parents is an issue at the moment and will become even more so when the school increases it numbers.

I would be interested to know what plans are being put in place to ensure that local residents are able to get to and from their homes during the daily school runs.

I have been waiting for Brian Cleightonhills to get back in touch with me regarding this issue which I raised with him back in July but have not received a response so far.

Regards
