Introduction

This statement draws together the Council's policies relating to the payment of the workforce particularly

- Chief Officers;
- Its lowest paid employees; and
- The relationship between the pay of Chief Officers and the pay of other employees.

This statement sets out the Council's key policy principles in relation to pay evidencing a transparent and open process. It does not supersede the responsibilities and duties placed on the Council in its role as an employer and under employment law. These responsibilities and duties have been considered when formulating the statement.

This statement aims to ensure the Council's approach to pay attracts and retains a high performing workforce whilst ensuring value for money. The Council's aims are to ensure that remuneration policies are fair to staff, across all posts, and that they comply with all legal obligations, such as the Equality Act 2010. It sits alongside the information on pay that the Council already publishes as part of its responsibilities under the Code of Practice for Local Authorities on Data Transparency. Further details on this information can be found on the Council's website under [Senior Council Officers](#).

Transparency and Autonomy

The Council recognises and welcomes the aim behind this pay policy statement to ensure that its approach to pay is accessible for all and to enable local people to take an informed view of whether local decisions on all aspects of remuneration are fair and make the best use of public funds.

It also welcomes the Government's recognition that each local authority remains an individual employer in its own right and, as such, has the autonomy to make decisions on pay that are appropriate to local circumstances and deliver value for money for local taxpayers.

The Council is under statutory duty to appoint on merit and has to ensure that it complies with all appropriate employment and equalities legislation e.g. The Equalities Act. The Council will always seek to appoint the best available candidate to a post who has the skills, knowledge, experience, abilities and qualities needed for the post. The Council will therefore consider all applications to try to ensure the best available candidate is appointed.

If a candidate is a former employee in receipt of a Local Government Pension Scheme pension or a redundancy payment this will not rule them out from being re-employed by the Council. Clearly where a former employee left the Council on redundancy terms then the old post has been deleted and the individual cannot return to the post as it will not exist.

The Council will apply the provisions of the Redundancy Payments Modification Order regarding the recovery of redundancy payment if this is relevant. Pensions Regulations also have provisions to reduce pension payment in certain circumstances to those who return to work within the local government service.

Amendments to the Pay Policy Statement

This pay policy statement relates to the financial year 2021/22. Information on the Council's workforce will be published after 1st April 2021 for the financial year.

The statement will be updated annually but may be amended during the year, with agreement by Full Council, if the need arises.

Publication of and Access to Information

The Council will publish this pay policy statement on its website at http://www.swindon.gov.uk/info/20028/open_data_and_transparency/401/senior_council_officers as soon as is reasonably practicable after it has been approved by Full Council. Any subsequent amendments to this pay policy statement made during the financial year to which it relates will also be similarly published.

For further information about this pay policy statement please contact the Council's Director of Human Resources & Organisational Development at sgrewal@swindon.gov.uk.

Senior Officers

This section provides information on the Council's Senior Officers.

- Definition
- New Appointments and Pay
- Terms and Conditions

Definition

Senior Officers have been defined as the posts of:

- Chief Executive – Head of Paid Service
- Statutory and non-statutory Chief Officers (a person for whom the Head of Paid Service has direct responsibility), i.e.:
 - Chief Operating Officer
 - Corporate Director of Finance and Assets (Section 151 Officer)
 - Corporate Director - Children's Services (DCS)
 - Corporate Director – Adults' Housing & Public Health (DASS)

- All Deputy Chief Officers (a person who reports directly to or is directly accountable to one or more of the statutory or non-statutory Chief Officers), i.e.:
 - All Tier 2 posts at Head of Service Level

Identified Senior Officer roles and salaries can be found on the Council's website under [Open Data and Transparency](#).

New Appointments and Pay

In relation to Senior Officers, legislation requires the Full Council or a meeting of Members to be offered the opportunity to vote before large salary packages are offered in respect of a new appointment.

For this purpose, salary packages should include salary, any bonuses, fees or allowances routinely payable to the appointee to which the officer is entitled as a result of their employment.

The Secretary of State considers that £100,000 is the right level for that threshold to be set.

In Swindon, this approach will be applied for all roles graded at Director 5 and above.

There are 5 levels in Swindon's Executive pay structure as detailed below (as of 1st April 2019):

Level	Salary Range	
	From	To
CEO	£160,739	£200,324
Board Director	£125,625	£150,489
Director 5	£105,781	£124,207
Director 4	£87,317	£104,556
Director 3	£72,190	£86,426

This applies to the Chief Executive and all Board Directors for new appointments made after 1st April 2012.

The Council's Special Committee has delegated powers to make decisions on behalf of the Full Council, on the advice of the Chief Executive, on any policy or particular matters that are urgent and considered necessary in the best interests of the Council.

Process for Setting Pay

As agreed by Full Council in June 2005 and updated by the Special Committee in November 2013, pay for Senior Officers is set in line with the Executive Pay Strategy. A copy of the Executive Pay Strategy can be requested through hrradviceandadmin@swindon.gov.uk.

In addition, any new appointments at Level Director 5 and above, from 1st April 2012, will have their salaries agreed by Members.

Lowest Paid Employees

For the purpose of this pay policy statement, the definition of the lowest-paid employees adopted by the Council for the purposes of this statement is as follows:

“The lowest paid employees with the Council are those substantive employees who are paid on the minimum salary of the Council’s substantive pay structure equating to J1, £17,842 pa (£9.25 per hour) based on a 37 hour standard working week”.

The Council considers this to be the most appropriate definition as this is the lowest pay point and pay level on its substantive pay structure and which normally applies to new entrants to the lowest graded jobs within the organisation. The exception is employees who are employed on a Government sponsored apprenticeship programme that allows for them to be paid at nationally agreed apprenticeship rates.

A copy of the Council’s pay scales can be found at the end of this statement.

National Living Wage

As of 1st April 2016 the Council has adopted the National Living Wage for all employees, regardless of age, excluding those who are on apprenticeship contracts of employment.

Apprentices

An apprentice’s rate of pay is applied by age. The Council will no longer pay the minimum statutory rate of pay for most new apprentices. Apprentices will be paid according to their age when they start employment with the Council.

Age	Hourly rate of pay (as of 1 st April 2020)
16 – 18 *	£4.15 per hour
19 – 24	£8.20 per hour
Over 25	£8.72 per hour

*Once these apprentices have completed their first year, they will be moved to the rate of pay for 19 – 24 year olds.

Apprentices over the age of 25 will receive the current National Living Wage rate of pay.

Highest to Lowest Paid Employees

The tables below indicate the relationship between the highest and lowest paid employees.

Highest Pay	£175,024
Mean Pay	£29,237.75
Median Pay	£25,960.00
Lowest Pay	£17,842
Ratio of Mean to Highest	1: 6.0
Ratio of Median to Highest	1: 6.7
Ratio of Lowest to Highest	1: 9.8

Definitions:

Mean	Total pay for substantive employees divided by the number of substantive employees.
Median	The middle amount of pay of Swindon Borough Council (between the highest and lowest amounts).

The above rates of pay do not include any pension contributions. Information about the [pension schemes](#) and contribution rates can be found on pages 14 -16.

The recommendation of the Hutton Report into “Fair Pay in the Public Sector”, as recognised by the Government in the Code of Recommended Practice for Local Authorities on Data Transparency, was that a pay ratio of the salary of the Chief Executive compared to the median average salary in the organisation should be published.

The ratio between the highest paid salary and median average salary, the ‘pay multiple’ is 1:6.7. The Council does not have a policy on maintaining or reaching a specific ‘pay multiple’. However, the Council is conscious of the need to ensure that the salary of the highest paid employee is not excessive but is consistent with the needs of the Council as expressed in this policy statement.

The Hutton Review raised concerns about multiples in the order of 1:20 or higher, between the lowest and the highest paid employees in local authorities. The Council’s current ratio of lowest to highest is 1:9.8 and so is well below that level.

Pay Increases and Pay Progression

Where it has been recognised that a role has changed due to responsibilities, job content, redesign of the post, for example, a revised role profile will be submitted for re-evaluation

in accordance with the Council's approved job evaluation schemes. Further information about the Council's approved [job evaluation](#) schemes can be found on pages 11 -12.

National Pay

The Council will apply any annual pay increases that are agreed by relevant national negotiating bodies.

Local Pay

Negotiation on pay is at local level but is mindful of national agreements.

Executive Contracts

There is no automatic right to salary progression based on time served for employees on Executive Contracts. Further information is outlined in the Council's Executive Pay Strategy. A copy of the Executive Pay Strategy can be requested through hradviceandadmin@swindon.gov.uk.

Terms and Conditions

The Council reviewed its employees' pay, grading and terms and conditions when it implemented a new pay structure in 2010. The Council wanted to ensure that the new pay structure and terms and conditions were modern, fair and compliant with equal pay legislation. It was applied to all groups of employees, with the exception of:

- Chief Executive, Board Directors and Directors
- Staff employed on Soulbury Evaluation Scheme terms and conditions
- Youth workers on Joint Negotiating Committee (JNC) for Youth and Community Workers terms and conditions
- Teachers

All other groups of employees are covered by separate national terms and conditions of employment.

Job Evaluation

The Council's approach to pay is that pay related to a job grade which will be determined using a recognised job evaluation scheme. Jobs evaluated using either the Hay Evaluation Scheme or the National Joint Council (NJC) job evaluation scheme.

In the sections below, it indicates the differences between these two schemes and in what circumstances they are used.

Hay

The Hay Job Evaluation Scheme is widely used in both public and private sectors, primarily for managerial, administrative and clerical roles, but in some cases for all jobs within user organisations.

Jobs have been evaluated by trained assessors. A trained evaluation panel evaluates jobs against each of the elements within the scheme using detailed role profiles. The outcome of the evaluation assigns a profile and points score that shows the total size of the job.

All jobs from Q Grade and above, including Chief Officers, are graded using the Hay Job Evaluation scheme.

National Joint Council (NJC) Evaluation Scheme

The NJC scheme comprises thirteen factors of various weightings. The scheme was jointly developed and agreed between the local authority employers and the trade unions. A trained evaluation panel evaluates jobs against each of the elements of the scheme using detailed job descriptions. The outcome of the evaluation assigns a point's score that shows the total size of the job. The points score enables jobs to be placed in a rank order with other jobs in the organisation. All jobs from grade N and below are graded using the NJC Evaluation Scheme.

All roles are evaluated using either scheme; however the Council sets its own pay line. A copy of the Council's pay scales can be found at the end of this statement.

Pay Policies and Processes

The following section provides information on the pay policies and procedures that the council have in place. This includes the following:

- [Allowances](#)
- [Reimbursement of Subsistence or other Expenses](#)
- [Flexible Retirement, Early Retirement and Redundancy Payments Policy](#)
- [Termination Payments](#)
- [Relocation Expenses](#)
- [Honorariums and Acting-up Pay](#)
- [Election Payments](#)
- [Market Factor Supplements](#)

Allowances

An allowance is a payment made to staff by the Council that is not part of the basic contracted salary. Allowances are subject to taxation rules provided by the Inland Revenue and some are pensionable.

As part of the new pay and grading structure that was implemented in April 2010, allowances paid to employees were also reviewed and a new allowance structure was put into place.

In early 2017 the Council consulted with all employees on mileage rates. It was agreed that the Council's mileage rates will be paid in accordance with HMRC guidelines with effect from 23rd July 2017. Employees who use their car for business purposes can claim mileage using the current HMRC rates. A copy of the Allowances Policy can be requested through hadvicelandadmin@swindon.gov.uk.

Reimbursement of Subsistence or Other Expenses

In accordance with the requirements of the National Conditions of Service, the Council makes provision for the reimbursement of approved expenses. The Council has produced guidance for employees on travel and subsistence and this applies equally to all staff, irrespective of grade. A copy of the Travel and Expenses Policy can be requested through hradviceandadmin@swindon.gov.uk.

Flexible Retirement, Early Retirement and Redundancy Payments Policy

On termination, redundancy payments and any discretion exercised in relation to retirement or redundancy will be paid in line with the Council's Policy on Flexible Retirement, Early Retirement and Redundancy Payments Policy. A copy of the policy can be requested through hradviceandadmin@swindon.gov.uk.

The Council may, in certain circumstances, also apply its discretionary powers in relation to premature retirements and redundancies for Chief Officers. This approach is in line with Part 4 paragraph 85 of the Chief Officers of Local Authorities, Constitution Conditions of Service Salaries which states that "Authorities should bear in mind the possible application of discretionary powers of premature retirement and permissible enhancements of benefits or redundancy payments".

Termination Payments

The Council does not provide any further payment to employees leaving the Council's employment other than in respect of payment for accrued leave, if agreed that it is not possible to take this leave before the date of leaving. Any other payments that are agreed or negotiated will be done so in line with current employment law practices.

Relocation Expenses

The aim of the scheme is to provide financial recompense to employees who need to move their main residence to take up an appointment with the Council. This scheme does not cover the purchase of a second property. Eligibility criteria will also apply, including the decision to offer relocation will be made prior to the post being advertised. Relocation expenses can be claimed up to £8,000. The Council's policy requires repayment in part or in full if the employee leaves within 3 years of appointment. A copy of the Relocation Policy can be requested through hradviceandadmin@swindon.gov.uk.

Honorariums and Acting-up Pay

Employees on any grade may be awarded an honorarium payment or a higher duty allowance if they meet the criteria for either payment. The Council has a policy covering Honorariums and Acting-up Pay. This does not apply to Chief Officers.

A copy of this policy can be requested through hradviceandadmin@swindon.gov.uk.

Election Payments

Payments made to employees (including the Returning Officer and the Deputy Returning Officer) working during local, parliamentary or European elections or referenda are made in

line with either the statutory fees or a local scale of fees agreed in consultation with Wiltshire Council. This could apply to Chief Officers.

Market Factor Supplements

All employees are appointed to posts, which have been evaluated and graded through either the NJC or Hay job evaluation schemes. Salaries are linked to the grading structure.

External labour market conditions can produce a situation in which staff with scarce skills and expertise can command higher salaries than the maximum provided under the current grading mechanism for that post. In these circumstances, based on evidence from the relevant labour market, it may be deemed appropriate to pay an additional Market Factor Supplement in addition to basic pay.

The relevant labour market may include another local authority or elsewhere in the public or private sectors. Market factor supplements are not linked to an individual's actual or anticipated performance within the role. They are linked to the difficulty in recruiting to certain posts requiring specific skills or qualifications. The Council has produced guidance for employees on Market Factor Supplements which can be requested through hradviceandadmin@swindon.gov.uk. The policy is not applicable to Chief Officers.

Pensions

This section includes information the following:

- [Auto-Enrolment](#)
- [Local Government Pension Scheme \(LGPS\)](#)
- [Changes to the Local Government Pension Scheme \(LGPS\)](#)
- [National Health Service \(NHS\) Pension Scheme.](#)

Auto Enrolment

Due to legislation ([The Pensions Act 2011](#)) there is a requirement for all employers in the UK to automatically enrol their workers into a qualifying pension scheme where they are not currently a member. Employees, who meet the criteria below (as of 1st April 2020) and are currently not in a workplace pension, will automatically be enrolled into the [Local Government Pension Scheme \(LGPS\)](#) or [Teacher's Pension Scheme \(TPS\)](#):

- Earn over £10,000 per year (or pro-rata pay period) (April 2020);
- Are age 22 or over; and
- Are under State Pension Age.

The aim of the legislation is to encourage people to save towards their retirement and have enough income to enjoy it. Employees can still opt to join the relevant pension scheme at any time. This has been clearly communicated to employees.

Local Government Pension Scheme (LGPS)

The Council offers all its employees access to the [Local Government Pension Scheme \(LGPS\)](#), in accordance with the statutory provisions of the scheme. Any pension payments made on termination of employment either on grounds of redundancy, in the interests of the efficiency of the service or on grounds of ill health will be made within the statutory terms of the LGPS. The discretions which the Council is able to apply under the scheme upon termination of employment are the same for senior employees as for all other employees who are LGPS members.

With effect from 1st April 2014 the Local Government Pension Scheme changed.

The Council have employees who were transferred from the NHS. As part of the transfer agreement (TUPE), these employees were able to keep their NHS pension scheme and continue to contribute into that scheme.
