

## **Jesus in Art Assessment**

Look at your picture of Jesus you drew in Week One.

Now you have looked at some different impressions or pictures of Jesus how would you change your drawing?

In your drawing did you portray what you thought about Jesus?

In your drawing did you portray anything about your character and beliefs?

Either redraw a picture of Jesus to include any changes you have thought about over the sessions

Or write about any changes you would like to include if you did the task again.

Choose your favourite picture from the ones we have looked at.

Why have you chosen this picture?

Annotate the picture to say what you think the artist believes about Jesus. Include how he/she does this in the picture or style of the picture.

In a different colour say how the ideas you have about Jesus are shown in this picture.
