

What makes the church special?

You are going to visit to the local church and then you are to produce a report for the churches website titled

What makes St Church special?

Your report should include 5 pictures of the things that you think make the church a special building. You need to explain what the things you have chosen are, what they mean and why you think they are special. Can you suggest one thing that the church could do to make it even more special?

As an example Josh from year 6 visited the Baptist church in nearby Casterbridge. He has produced a PowerPoint report of his visit.

You could do as Josh did and produce the report on PowerPoint or you could draw pictures and write some comments about each one.

A visit to the church Assessment

Have you done the following?	RED	AMBER	GREEN
Selected the 5 things that you think make the Church special and said how they are used			
Annotated your five pictures to say why these things are special			
Made one suggestion to make the Church even more special			

One really good thing about this piece of work is...

One way in which it could be improved is...

I would give this a level_____ because
