INFORMATION TO ACCOMPANY NOTICE OF HEARING

Action following receipt of Notice of Hearing:

A party shall give to the Licensing Panel within the period of time provided for in the following provisions of this regulation a notice (in the form attached) stating: -

- Whether he intends to attend or be represented at the hearing.
- Whether he considers a hearing to be unnecessary.
- In a case where a party wishes any other person (other than the person he intends to represent him at the hearing) to appear at the hearing, the notice referred to in paragraph (1) shall contain a request for permission for such other person to appear at the hearing accompanied by details of the name of that person and a brief description of the point or points on which that person may be able to assist the authority in relation to the application, representations or notice of the party making the request.

The following notice periods apply:

No later than one working day in respect of:

- Cancellation of interim authority notice following police objection, or
- Counter notice following police objection to temporary event notice.

No later than two working days before the first day of hearing:

- Review of premises licence following closure order or review of premises licence following review notice;
- Determination of application for conversion of existing licence;
- Determination of application for conversion of existing club certificate; or
- Determination of application by holder of justices' licence for grant of personal licence.

In any other case, the party shall give the notice no later than five working days before the day or the first day on which the hearing is to be held.

Right of attendance, assistance and representation:

A party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified.

The hearing will take place in public. However the Licensing Panel may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public. For these purposes a party and any person assisting or representing a party may be treated as a member of the public.

The Licensing Panel may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may:

- refuse to permit that person to return, or
- permit him to return only on such conditions as the authority may specify.

Any such person may, before the end of the hearing, submit to the authority in writing any information which they would have been entitled to give orally had they not been required to leave.

Representations and Supporting Information:

At the hearing a party shall be entitled to:

- Give further information as appropriate in response to a point upon which the Licensing Panel has given notice that clarification is required (Note – if clarification is required from any party this will have been indicated in the Notice of Hearing);
- If given permission by the Licensing Panel, question any other party; and
- Address the authority.
- Failure of Parties to attend the Hearing

If a party has informed the authority that he does not intend to attend or be represented at a hearing, the hearing may proceed in his absence.

If a party who has not so indicated fails to attend or be represented at a hearing the authority may: -

- Where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or
- Hold the hearing in the party's absence.
- Where the authority holds the hearing in the absence of a party, the authority shall consider at the hearing the application, representations or notice made by that party.
- Where the authority adjourns the hearing to a specified date it must forthwith notify the parties of the date, time and place to which the hearing has been adjourned

Procedure:

A summary of the procedure that will normally be followed at the hearing is attached.

It should be noted that this is a general procedure intended to cover matters that will normally be applicable at all Hearings. However depending on the circumstances of each individual case, it is recognised that other issues may need to be considered as preliminary points at the hearing. These may include (but are not limited to): -

- Whether to proceed in the absence of a party;
- Whether to admit new documents or information submitted at the hearing;
- Whether it is in the public interest to exclude members of the public from the hearing or any part of it;

- Whether any party wished to withdraw representations previously submitted
- Whether to disregard any information given by a party or any person to whom permission to appear at the hearing is given by the authority which is not relevant to:
 - Their application, representations or notice (as applicable) or in the case of another person, the application representations or notice of the party requesting their appearance, and
 - The promotion of the licensing objectives

**Standard procedure for licensing committee or
licensing panel review hearings**

- 1) The general facts of the review application will be put to the hearing by an officer of the Licensing Authority.**
- 2) The applicant for the review will put their case. They will be invited to clarify and support (but not add to) their written submission.**
- 3) Members of the Licensing Committee (or Panel) may ask questions arising from this submission, as may any other Member of Swindon Borough Council who is present. The premises licence holder will not be allowed to comment or reply at this stage but may ask the party which applied for the review to give a brief clarification concerning any of the points they have made.**
- 4) Ward Members who wish to speak on behalf of constituents who have made representations following the review application or aspects of the review application will be invited to speak. Written notification of those representations must be submitted within the required period of notice.**
- 5) Where individuals or organisations have given the required notice that they wish to make relevant representations on the review application, they will be invited one at a time to clarify and support (but not add to) their written submissions. Representations will be heard only from those who have submitted an objection in writing before the deadline given for comments. This restriction applies equally to Members and Officers of the Council.**
- 6) Members of the Licensing Committee (or Panel) may ask questions arising from each representation, as may any other Member of Swindon Borough Council who is present. The premises licence holder will not be allowed to comment or reply at this stage but may ask those making representations to give a brief clarification of any of the points they have made.**
- 7) Ward Members who wish to speak on behalf of constituents who have made a representation against the review and in support of the premises licence holder will be invited to speak. Written notification of the positive representation must have been submitted within the required period of notice.**
- 8) The premises licence holder and / or their solicitor or representative will be invited to make a submission in opposition to the application for review and to respond to points made by**

those who submitted the review application or who made representations subsequently. No unreasonable limits will be placed on the right of the applicant to make their case and they may present any documentation they wish, in doing so.

- 9) Members of the Licensing Committee (or Panel) may ask questions arising from the premises licence holder's submission, as may any other Member of Swindon Borough Council who is present.**
- 10) The party which applied for the review and anyone who made representations subsequently will be allowed in turn to ask the premises licence holder to give a brief clarification of any point they have made. They will not be permitted to restate or develop their review application or representation and must limit any further brief comment to issues that arise directly from answers given by the premises licence holder or the premises licence holder's representative.**
- 11) Members of the Committee or Panel hearing the application will then discuss the application in private, accompanied only by non-partisan officers who are there in a support role.**
- 12) Should any person present act in a disruptive manner the Chair will first warn him or her about their conduct and then, if the Chair considers it appropriate, may require the person concerned to leave the meeting forthwith. Where a party to the hearing insists on wasting the time of the hearing by needlessly repeating points that have been well aired and clearly put by earlier speakers, their actions may be judged to be disruptive and they may be asked to leave. It is strongly recommended that any spoken representations from groups of people with common concerns are made through an agreed spokesperson.**

3.3 The grounds for the review are stated in the Police's application as follows:

3.2.1 On 11th November 2016, Wiltshire Police officers conducted a routine licensing check at the premises. The Witness Statement of PC Diffin, attached as part of Appendix A, explains that at the time of his visit the DPS was not present and noted that a number of licensing conditions were being breached, namely conditions 8, 9 and 10. For clarification;

Condition 8 states-

Review of a Premises Licence in respect of; 'Best Barbecue'- 24 Victoria Road, Swindon SN1 3AW

Licensing Panel

Date: 5 April 2017

- 3.2.3 At 22.00hrs PC Diffin spoke to Mr KORKMAZ, the DPS at the premises. Mr KORKMAZ advised PC Diffin that he was friends with Mr SANCI and had allowed himself to become the DPS at the premises until Mr SANCI had a personal licence himself. Mr KORKMAZ stated he had never attended the premises, or had he any involvement with the day to day running of it, and was not aware of the content of the premises licence.
- 3.2.4 On 12th November 2016 a Closure Notice under Section 19 of the Criminal Justice and Police Act 2001 was served on Mr Mehmet SANCI and the premises was closed with immediate effect.
- 3.3 Since the lodging of the application for review the premises licence in respect of Best Barbecue, on 18th November 2016 Mr Mehmet SANCI submitted a minor variation application. The application sought to remove 'the sale by retail of alcohol' together with a number of conditions related to this licensable activity.
- 3.4 On 8th December 2016 the premises licence for 24 Victoria Road, Swindon SN1 3AW was varied and a new licence was granted.
- 3.5 The Panel is requested to consider the application for the review of the premises licence from the Wiltshire Police and supporting evidence, having regard to Swindon Borough Council's Statement of Licensing Policy and the Guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.
- 4. Alternative Options**
- 4.1 It would be possible to defer the determination of the review application to a date within five working days of the day (or the last day) on which the hearing was held, or to defer the hearing itself to a specified date (or dates) where it is considered to be necessary for the authority's consideration of any representation or notice made by a party. However, either step should be seen as an exceptional measure.
- 5. Implications, Diversity Impact Assessment and Risk Management**
- Financial and Procurement Implications
- 5.1 There are no direct financial implications arising from the report. Failure to reach a reasonable conclusion, based on the facts, could lead to crime and disorder, or to unwarranted damage to the business in question. Either scenario could raise issues of compensation. In the case of an appeal, the Council could become liable for costs.

Legal and Human Rights Implications

- 5.2 A declaration has been made by the Secretary of State that the Licensing Act is compliant with the Human Rights Act. None of the relevant Articles of the Human Rights Act has absolute sway over the others. Article 8 deals with a right to undisturbed home life; Article 10 gives the right to free expression, including the right to entertain; Article 1 of the Protocol says that licences are 'possessions', which the holder has a right to enjoy. Common sense has to be used, in balancing each of these against the other.

5.3 All Other Implications (including Staff, Sustainability, Health, Rural, Crime and Disorder)

This report relates to the requirements of licensing legislation.

5.4 Diversity Impact Assessment

It is not considered that the preparation of a DIA is required in respect of this report.

5.5 **Consultees**

Dear Mr Sanci,

Application for a variation to Premises Licence Best BBQ 24 Victoria Road
Swindon SN1 3AW

Thank you for the above application received at this office on the 25th November 2016.

We are happy for the conditions listed in the application to be removed but due to a previous incident where you were found to be selling alcohol without a licence to prevent crime and disorder the following condition should be applied to the licence.

1. No alcohol is to be kept on the premises at any time.

Subject to the above condition being attached to the premises licence I can confirm that Wiltshire Police have no objection to the variation of the premises licence. Please can you confirm to the Licensing Authority no later than 02/12/2016 whether you are happy to accept the proposed conditions being added to the premises licence, failure to do will result in Police making a formal objection to the application and may result in the application being heard by the Licensing Sub Committee.

A copy of this letter has been sent to Swindon Borough Council licensing department.

Re: Licence Review – Best Barbeque, 24 Victoria Road, Swindon.

Best Barbeque is a Licensed Premises and operates under a premises licence (PL No: 881160360LAPV) issued by Swindon Borough Council (SBC) on 1 June 2016. The premises licence holder is Mehmet SANCI. The licence was issued in accordance with the Licensing Act 2003 to allow the sale by retail of alcohol Monday to Sunday 15:00 - Midnight and Late Night Refreshment Monday to Wednesday 23:00 - 01:00 and Thursday to Sunday 23:00 - 03:00. The premises has no restriction on opening hours for non licensable activities.

The Designated Premises Supervisor (DPS) at the time was Sinan Korkmaz

At about 2130hrs on 11th November 2016 Officers attended the premises to conduct a routine licensing check, the DPS was not present and officer spoke with SANCI the Premises Licence holder.

At the time of the visit Part B Summary of the premises licence was not on display and SANCI was unaware that he should be displaying it.

Also at the time the following conditions on the licence were being breached

Condition 8 on the premises licence states

A "Challenge 25" policy shall be operated, No member of staff shall be permitted to sell alcohol until trained in the operation of the "Challenge 25" policy. Any person who appears to be under the age of 25 who attempts to buy alcohol shall be challenged to provide age verification in the form of a passport, photo driving licence, or a PASS accredited card. Where proper verification is not provided the sale shall be refused. A record of the refusal shall be kept in a refusals book, identifying the member of staff who refused the sale.

Condition 10 on the premises licence states

No staff shall be permitted to sell alcohol until they have completed training in relation to "Challenge 25" and the sale of alcohol to drunks this training shall be documented and kept on the premises and shall be documented and kept on the premises and shall be shown to a Police Constable or any authorised officer on request or at any reasonable time. Refresher training is to be conducted every 6 months and this is to be documented and available for inspection by a Police Constable or any Authorised Officer on request or at any reasonable time.

Condition 9 on the premises licence states

An incident book shall be kept on the premises to record the details of any instances of disorder or details of any persons who are detained on the premises or escorted from the premises. This shall be a bound book with sequentially numbered pages. The time the date and brief details of the incidents shall be recorded in the incident book and the names of the members of staff who dealt with the matter shall be recorded against each incident. The book shall be kept on the premises and shall be shown to any Authorised Officer on request at any reasonable time, and take copies if so needed.

At 2200hrs the DPS was spoken to and he stated that he was friends with SANCI

and had allowed himself to be the DPS to do SANCI a favor until he had his own personal licence, he stated that he had never attended the premise in the capacity of DPS and had no involvement in the day to day running of the location nor had any knowledge of what was on the premises licence and as such had not authorised any sales of alcohol at the location. He stated that he had provided no training as required on the premises licence to any staff. He stated that with immediate effect he was withdrawing his consent as DPS at the location. This was later confirmed by e mail on 17/11/2016. This shows that since the issue of the premises licence all sales of alcohol at the premises have been unlawful.

As a result of the above at 0100hrs on 12/11/16 a Closure Notice under Section 19 of the Criminal Justice and Police Act 2001 was served on SANCI re the fact that there was no DPS, no authorities in place for the sale of alcohol and the breaching of three of the conditions on the licence.

It became clear at the time of the visit that SANCI had no knowledge of his obligations with regards to the premises licence under the Licensing Act and had very little regard for the fact that he was breaching the conditions on his premise licence. It was also clear that he was aware that KORKMAZ had no intention of acting in any capacity as the DPS at the premises at the time of the application and he was placed on the licence to allow them to sell alcohol when SANCI did not have a personal licence.

Wiltshire Police are asking for a revocation of the premises licence for the sale of alcohol as we do not believe that SANCI is a responsible person by his actions to date, we do not believe that the premises can improve under his control due to his dismissive and aggressive attitude towards Police and other enforcement officers this is evidenced below by Annabel HALL Environmental Health Officer, Public Protection Team, Swindon Borough Council who has been working with SANCI over the past 16 months

- 17 September 2015 3:40pm – Mr Sancı was obstructive to the routine food hygiene visit, initially asking me to visit another day, then stating that he had a hospital appointment, first he said that he had to leave at 4pm then said that actually his appointment was at 4pm so had to leave now. I was suspicious of him trying to stop me looking in the kitchen so I said I would have a quick look around at the time and then could come back to complete the inspection. He then quickly disappeared into the kitchen. I followed and went down the stairs and I saw the back of what appeared to be another employee as he was in the same t-shirt as the others working in the kitchen as he quickly went out of the door to the rear of the shop and shut the door. Mr Sancı looked flustered and then he went to get his car keys and said he was now going to leave me and no one else could speak English. I decided to leave the premises to return another day.
- 21 September 2015 – food hygiene inspection carried out, noted Mr Sancı was displaying a 5 star food hygiene rating which I removed at the time of the visit as the premises was scored 4 at the last inspection. Mr Sancı said that if his food hygiene rating was not at least a 4 he would call me daily and contact my manager, I rated the premises a 1 star for food hygiene.
- 2 December 2015 – advisory food hygiene visit carried out, Mr Sancı was reluctant to take on board the actions that he must take and was quite argumentative
- 18 January 2016 – Food hygiene re-score visit carried out at Mr Sancı's request, no improvements made and premises again scored 1 star for food hygiene. Hygiene Improvement Notices served.
- 8 March 2016 – notice compliance visit. Mr Sancı became increasingly agitated throughout the visit and became very aggressive. He maintained close body language was visibly very angry and held intense eye contact, his dad was at the premises and appeared to be telling him to calm down. Mr Sancı asked us to leave

the premises.

- 16 March 2016 – joint visit with Trading Standards, Licensing and Police. Mr Sancı was found to be selling alcohol without a licence and was reminded that his aggressive behaviour towards Council staff was unacceptable.
- 3 May 2016 – food hygiene visit, still food hygiene issues found. Mr Sancı still difficult to communicate with, doesn't listen during discussions but was not aggressive during this visit.
- 28 June 2016 – interview under caution carried out.
- 1 November 2016 – revisit to premises. Mr Sancı was much more quiet and less communicative compared to previous inspections although did comment on personal things that he had seen from searching me and my colleague on Facebook.

I am the above named person and am employed as the Police Alcohol Licensing Officer for the Swindon Policing Hub.

On Friday 11th November 2016 at about 2130hrs I was on duty in plain clothing conducting licensing checks when I entered BEST BBQ 24 VICTORIA ROAD SWINDON under Section 179 Licensing Act 2003.

This premise is a licensed premise and holds a premise licence to sell alcohol that was issued by Swindon Borough Council Licensing Authority, licence number 881160360LAPV refers. This licensed was issued in accordance with the Licensing Act 2003.

On entering the premises there were two members of staff serving behind the counter and one member of staff sat in the kitchen area in the doorway to the left as you look at the grills, stood on my side of the counter were a male and female the male had an open bottle of EFFES beer on the counter in front of him and a second male stood near the window again with an open bottle of EFFES beer on the counter in front of him, I observed both males drinking from the open beer bottles.

I identified myself to the premises licence holder identified as Mehmet SANCI born 01/10/1986 by advising him as to who I was and showing him my Police Warrant Card. I also advised him that I was conducting a licensing check of the premises and asked if he could produce his premises licence, he stated "IT'S WITH THE COUNCIL" and started laughing, I advised him that this was a serious matter and that I was aware that his licence had been issued earlier in the year. He then stated that maybe it was in the office and that I would have to wait whilst he finished serving.

Whilst stood waiting in the premises I could see that at no point was Part B of the licence anywhere on display within the location. When SANCI came back to me I asked him where the premises licence was displayed and he pointed to the wall behind him that was covered in food hygiene certificates and no premises licence. I advised him that by not displaying the licence nor being able to produce it he was committing a criminal offence.

SANCI then went into the top drawer of a filing cabinet and produced a brown envelope that contained his issued premises licence.

I started to run through the licence with him and it was apparent at this point that he had not read the licence nor the covering letter and made it clear that I was wasting his time.

I asked SANCI if he could show me the Challenge 25 Policy and any documented training for all staff that this had been conducted, he just gave me a blank look and said, "DON'T SERVE TO ANYONE WHO LOOKS UNDER EIGHTEEN." He then stated that he didn't need training as only he and his father served alcohol.

Condition 8 on the premises licence states

A "Challenge 25" policy shall be operated, No member of staff shall be permitted to sell alcohol until trained in the operation of the "Challenge 25" policy. Any person who appears to be under the age of 25 who attempts to buy alcohol shall be challenged to provide age verification in the form of a passport, photo driving licence, or a PASS accredited card. Where proper verification is not provided the sale shall be refused. A record of the refusal shall be kept in a refusals book, identifying the member of staff who refused the sale.

Condition 10 on the premises licence states

No staff shall be permitted to sell alcohol until they have completed training in relation to "Challenge 25" and the sale of alcohol to drunks this training shall be documented and kept on the premises and shall be documented and kept on the premises and shall be shown to a Police Constable or any authorised officer on request or at any reasonable time. Refresher training is to be conducted every 6 months and this is to be documented and available for inspection by a Police Constable or any Authorised Officer on request or at any reasonable time.

I then asked SANCI if he could produce his refusals and incident book to which he stated he didn't have one nor need one.

Condition 9 on the premises licence states

An incident book shall be kept on the premises to record the details of any instances of disorder or details of any persons who are detained on the premises or escorted from the premises. This shall be a bound book with sequentially numbered pages. The time the date and brief details of the incidents shall be recorded in the incident book and the names of the members of staff who dealt with the matter shall be recorded against each incident. The book shall be kept on the premises and shall be shown to any Authorised Officer on request at any reasonable time, and take copies if so needed.

I then asked him where the Designated Premises Supervisor was who I know to be Sinan KORKMAZ born 25/10/1980 and SANCI stated not here I asked if I could have a contact number for him to which he stated he was out of the country he then provided me with a mobile phone number for him.

I asked SANCI if he had a personal licence to sell alcohol to which he replied, "YES I DO HAVE A DRIVING LICENCE FOR THE CAR."

Continuation statement of Michael Sean Gilmour DIFFIN

I again explained what I wanted to which he replied no he was planning to get one but had not sorted it out yet. I advised SANCI that I was not happy that the correct policies and authorities were in place for him to sell alcohol at the premises and that he was not to sell anymore alcohol until I had spoken with the DPS and was satisfied that training was in place. He replied, "NEVER MIND I'LL JUST GIVE IT AWAY THEN."

On return to the Police Station at 2200hrs I contacted and spoke with KORKMAZ and he stated that he had been asked by SANCI if when he made his application his name could go on the licence as DPS and he would sort out his personal licence and change it. KORKMAZ stated that he has nothing to do with the premises and it is all run by SANCI and that he does not attend the premises. He stated that he was not the DPS and was withdrawing his consent as he did not want to get into more trouble, he was advised to notify the licensing authority and SANCI immediately or he would be held responsible for any further offences at the location.

As a result of my conversation I made the decision to task officers to re attend Best BBQ and serve a Closure Notice under Section 19 of the Criminal Justice and Police Act 2001 re the fact that there was no DPS, no authorities in place for the sale of alcohol and the breaching of three of the conditions on the licence.

At 0100hrs on 12th November 2012 PC 2724 STEELE attended Best BBQ and served a Section 19 Closure Notice on SANCI. *MSG*

The application for a closure order must be so made not less than 7 days, and not more than 6 months, after the date on which this closure notice was served. After an application for a closure notice is made, the justice of the peace may issue a summons requiring the applicant, and the person or persons on whom the closure notice was served, to attend a hearing at the court on a specified date and time. Police Officers and authorised officers from the local authority have the power to enter the said premises at "any reasonable time", and do anything necessary to secure compliance with the closure order (for example, to board up the premises). However, when exercising this power, the constable or the officer must produce evidence of his authority to enter and also his identity before entering the premises, if asked to do so by the owner (or occupier or the person in charge of the premises).

Subject: Mehmet Sancı - Best BBQ

Hi Michael

As briefly discussed, we have had ongoing contact with Mr Mehmet Sancı over the last 15 months with regards to food hygiene breaches. I have bullet pointed our visits, please let me know if you need any further information:

- 17 September 2015 3:40pm – Mr Sancı was obstructive to the routine food hygiene visit, initially asking me to visit another day, then stating that he had a hospital appointment, first he said that he had to leave at 4pm then said that actually his appointment was at 4pm so had to leave now. I was suspicious of him trying to stop me looking in the kitchen so I said I would have a quick look around at the time and then could come back to complete the inspection. He then quickly disappeared into the kitchen. I followed and went down the stairs and I saw the back of what appeared to be another employee as he was in the same t-shirt as the others working in the kitchen as he quickly went out of the door to the rear of the shop and shut the door. Mr Sancı looked flustered and then he went to get his car keys

and said he was now going to leave me and no one else could speak English. I decided to leave the premises to return another day.

- 21 September 2015 – food hygiene inspection carried out, noted Mr Sanci was displaying a 5 star food hygiene rating which I removed at the time of the visit as the premises was scored 4 at the last inspection. Mr Sanci said that if his food hygiene rating was not at least a 4 he would call me daily and contact my manager, I rated the premises a 1 star for food hygiene.
- 2 December 2015 – advisory food hygiene visit carried out, Mr Sanci was reluctant to take on board the actions that he must take and was quite argumentative
- 18 January 2016 – Food hygiene re-score visit carried out at Mr Sanci's request, no improvements made and premises again scored 1 star for food hygiene. Hygiene Improvement Notices served.
- 8 March 2016 – notice compliance visit. Mr Sanci became increasingly agitated throughout the visit and became very aggressive. He maintained close body language was visibly very angry and held intense eye contact, his dad was at the premises and appeared to be telling him to calm down. Mr Sanci asked us to leave the premises.
- 16 March 2016 – joint visit with Trading Standards, Licensing and Police. Mr Sanci was found to be selling alcohol without a licence and was reminded that his aggressive behaviour towards Council staff was unacceptable.
- 3 May 2016 – food hygiene visit, still food hygiene issues found. Mr Sanci still difficult to communicate with, doesn't listen during discussions but was not aggressive during this visit.
- 28 June 2016 – interview under caution carried out.
- 1 November 2016 – revisit to premises. Mr Sanci was much more quiet and less communicative compared to previous inspections although did comment on personal things that he had seen from searching me and my colleague on Facebook.
