INFORMATION TO ACCOMPANY NOTICE OF HEARING

Action following receipt of Notice of Hearing:

A party shall give to the Licensing Panel within the period of time provided for in the following provisions of this regulation a notice (in the form attached) stating: -

- Whether he intends to attend or be represented at the hearing.
- Whether he considers a hearing to be unnecessary.
- In a case where a party wishes any other person (other than the person he intends to represent him at the hearing) to appear at the hearing, the notice referred to in paragraph (1) shall contain a request for permission for such other person to appear at the hearing accompanied by details of the name of that person and a brief description of the point or points on which that person may be able to assist the authority in relation to the application, representations or notice of the party making the request.

The following notice periods apply:

No later than one working day in respect of:

- Cancellation of interim authority notice following police objection, or
- Counter notice following police objection to temporary event notice.

No later than two working days before the first day of hearing:

- Review of premises licence following closure order or review of premises licence following review notice;
- Determination of application for conversion of existing licence;
- Determination of application for conversion of existing club certificate; or
- Determination of application by holder of justices' licence for grant of personal licence.

In any other case, the party shall give the notice no later than five working days before the day or the first day on which the hearing is to be held.

Right of attendance, assistance and representation:

A party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified.

The hearing will take place in public. However the Licensing Panel may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public. For these purposes a party and any person assisting or representing a party may be treated as a member of the public.

The Licensing Panel may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may:

- refuse to permit that person to return, or
- permit him to return only on such conditions as the authority may specify.

Any such person may, before the end of the hearing, submit to the authority in writing any information which they would have been entitled to give orally had they not been required to leave.

Representations and Supporting Information:

At the hearing a party shall be entitled to:

- Give further information as appropriate in response to a point upon which the Licensing Panel has given notice that clarification is required (Note – if clarification is required from any party this will have been indicated in the Notice of Hearing);
- If given permission by the Licensing Panel, question any other party; and
- Address the authority.
- Failure of Parties to attend the Hearing

If a party has informed the authority that he does not intend to attend or be represented at a hearing, the hearing may proceed in his absence.

If a party who has not so indicated fails to attend or be represented at a hearing the authority may: -

- Where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or
- Hold the hearing in the party's absence.
- Where the authority holds the hearing in the absence of a party, the authority shall consider at the hearing the application, representations or notice made by that party.
- Where the authority adjourns the hearing to a specified date it must forthwith notify the parties of the date, time and place to which the hearing has been adjourned

Procedure:

A summary of the procedure that will normally be followed at the hearing is attached.

It should be noted that this is a general procedure intended to cover matters that will normally be applicable at all Hearings. However depending on the circumstances of each individual case, it is recognised that other issues may need to be considered as preliminary points at the hearing. These may include (but are not limited to): -

- Whether to proceed in the absence of a party;
- Whether to admit new documents or information submitted at the hearing;
- Whether it is in the public interest to exclude members of the public from the hearing or any part of it;

- Whether any party wished to withdraw representations previously submitted
- Whether to disregard any information given by a party or any person to whom permission to appear at the hearing is given by the authority which is not relevant to:
 - Their application, representations or notice (as applicable) or in the case of another person, the application representations or notice of the party requesting their appearance, and
 - The promotion of the licensing objectives

**Standard procedure for licensing committee or
licensing panel review hearings**

- 1) The general facts of the review application will be put to the hearing by an officer of the Licensing Authority.**
- 2) The applicant for the review will put their case. They will be invited to clarify and support (but not add to) their written submission.**
- 3) Members of the Licensing Committee (or Panel) may ask questions arising from this submission, as may any other Member of Swindon Borough Council who is present. The premises licence holder will not be allowed to comment or reply at this stage but may ask the party which applied for the review to give a brief clarification concerning any of the points they have made.**
- 4) Ward Members who wish to speak on behalf of constituents who have made representations following the review application or aspects of the review application will be invited to speak. Written notification of those representations must be submitted within the required period of notice.**
- 5) Where individuals or organisations have given the required notice that they wish to make relevant representations on the review application, they will be invited one at a time to clarify and support (but not add to) their written submissions. Representations will be heard only from those who have submitted an objection in writing before the deadline given for comments. This restriction applies equally to Members and Officers of the Council.**
- 6) Members of the Licensing Committee (or Panel) may ask questions arising from each representation, as may any other Member of Swindon Borough Council who is present. The premises licence holder will not be allowed to comment or reply at this stage but may ask those making representations to give a brief clarification of any of the points they have made.**
- 7) Ward Members who wish to speak on behalf of constituents who have made a representation against the review and in support of the premises licence holder will be invited to speak. Written notification of the positive representation must have been submitted within the required period of notice.**
- 8) The premises licence holder and / or their solicitor or representative will be invited to make a submission in opposition to the application for review and to respond to points made by**

those who submitted the review application or who made representations subsequently. No unreasonable limits will be placed on the right of the applicant to make their case and they may present any documentation they wish, in doing so.

- 9) **Members of the Licensing Committee (or Panel) may ask questions arising from the premises licence holder's submission, as may any other Member of Swindon Borough Council who is present.**
- 10) **The party which applied for the review and anyone who made representations subsequently will be allowed in turn to ask the premises licence holder to give a brief clarification of any point they have made. They will not be permitted to restate or develop their review application or representation and must limit any further brief comment to issues that arise directly from answers given by the premises licence holder or the premises licence holder's representative.**
- 11) **Members of the Committee or Panel hearing the application will then discuss the application in private, accompanied only by non-partisan officers who are there in a support role.**
- 12) **Should any person present act in a disruptive manner the Chair will first warn him or her about their conduct and then, if the Chair considers it appropriate, may require the person concerned to leave the meeting forthwith. Where a party to the hearing insists on wasting the time of the hearing by needlessly repeating points that have been well aired and clearly put by earlier speakers, their actions may be judged to be disruptive and they may be asked to leave. It is strongly recommended that any spoken representations from groups of people with common concerns are made through an agreed spokesperson.**

1. Purpose and Reasons

- 1.1 To consider the application for a review of a premises licence received from the Wiltshire Police in respect of Brunel News , Unit 2D, 2 Havelock Square, Swindon, SN1 1LE

2. Recommendations

It is recommended that the Panel:

- 2.1 Considers the application made by the Wiltshire Police together with any supporting evidence, and determines the application for the review of the premises licence. The options available to the Panel are:
- To modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition;
 - To exclude a licensable activity from the scope of the licence;
 - To remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
 - To suspend the licence for a period not exceeding three months;
 - To revoke the Licence

3.0 Detail

- 3.1 An application for the review of a premises licence in respect of Brunel News , Unit 2D, 2 Havelock Square, Swindon, SN1 1LE has been received from Wiltshire Police who consider that the licensing objective in respect of the prevention of crime and disorder is being undermined by current licensable activities at the premises. A copy of the review application is attached as **Appendix A**.

07.00hrs to 23:00hrs; Wednesday to Saturday from 07.00hrs to 19:00hrs and Sunday prior to a Bank Holiday Monday from 07:00hrs to 21:00hrs. The opening hours of the premises are Sunday to Tuesday from 07.00hrs to 23:00hrs; Wednesday to Saturday from 07.00hrs to 22:00hrs and Sunday immediately prior to a Bank Holiday Monday from 07:00hrs to 23:00hrs. The Premises Licence Holder is Mr Soner Dogan, the Designated Premises Supervisor specified on the licence is Mr Ali Kabala.

3.3 The grounds for the review are stated in the Police's application as follows:

3.3.1 On 26th April 2016 Wiltshire Police Licensing Officer Sian Kalyuka conducted a routine visit at the premises. A male working at the premises stated he had received no training about his responsibilities around the sale of alcohol. He had worked at the premises for around 6 months. Mr Soner Dogan was contacted and a licensing check was conducted. After speaking with Mr Dogan no training records could be produced.

As a result of the licensing check a number of licensing conditions were being breached namely conditions 10 and 11.

10. Staff selling alcohol shall be subject to refresher training every six months and records of training shall be retained on the premises. Records of training shall be made available to enforcement officers on request.
11. Suitable staff training shall be completed by any new employee prior to beginning their first shift to prevent the sale of alcohol to customers who are already intoxicated. This training shall be documented and refresher training undertaken at no greater than 6 monthly intervals. All training records shall be retained on the premises and made available to enforcement officers on request.

3.3.2 Mr Dogan was unable to produce a Challenge 25 policy. Conditions 8 and 9 on the premises licence states:

8. A refusals book shall be kept on the premises to record any refusal to sell alcohol. The time, date, name of person refusing the sale and reason for refusing the sale shall be recorded in the refusals book. The refusals book shall be made available for inspection by a police constable or authorised officer on request.
9. A Challenge 25 policy will apply to the premises and all staff serving alcohol shall be trained in the operation of the scheme so that anyone attempting to buy alcohol who appears to be aged 25 or under will be asked for identification of age in the form of either a

valid passport, photo driving licence, government issued identity card or PASS accredited card or its equivalent successor card and if none is supplied or that supplied is unacceptable a sale will be refused and a record kept of the refusal. Staff selling alcohol will be subject to refresher training every 3 months and records of training shall be kept. Records of refusals and training shall be made available to enforcement officers on request.'

3.3.3 Mr Dogan was also unable to produce an incident book for the premises. Condition 6 on the premises licence states

6. An incident book shall be kept on the premises and used to record any incidents of crime or disorder as soon as reasonably practicable. The entries should include the time, date and brief details of what has happened and those involved. The incident book shall be retained on the premises and made available to enforcement officers on request.

3.3.4 Mr Dogan was provided with a booklet produced by Wiltshire Police giving advice on how to comply with the Licensing Act 2003. This document is attached a part of the Police review papers.

A visit took place on 17th May 2016 at which time Mr Dogan produced all documents required above.

3.3.5 On 31st January 2017 Wiltshire Police Licensing Officer, PC Diffin attended the premises as a result of increased Anti-Social Behaviour in the area.

Part B of the Premises Licence was not on display and Mr Dogan produced it from under the counter. Mr Dogan was unable to produce a current incident book for the premises in breach of condition 6

Mr Dogan produced a form listing staff training but was unable to produce documents stating what training had been given. The document showed last staff training had taken place on 27/11/2015. This is in breach of condition 9 on the premises licence.

Mr Dogan was unable to produce a Challenge 25 policy or evidence of staff having been trained in the policy. This is in breach of conditions 10 and 11 on the premises licence.

A refusals book was produced by Mr Dogan with the last entry being 7/05/2016 showing the book was not being used by staff to record refusals from that date in breach of conditions 8 and 9.

Review of a Premises Licence in respect of Brunel News, Unit 2D, 2 Havelock Square, Swindon, SN1 1LE

Licensing Panel

Date: 9th May 2017

Police officers spoke with Mr Kabala via the telephone who stated he had nothing to do with the running of the premises and was only the Designated Premises Supervisor whilst waiting for Mr Dogan to get his personal licence. He confirmed that he had had no involvement with the premises for the past 12 months and that Mr Dogan was running the store.

- 3.4 The Panel is requested to consider the application for the review of the premises licence from the Wiltshire Police and supporting evidence, having regard to Swindon Borough Council's Statement of Licensing Policy and the Guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.
- 3.5 Wiltshire Police have asked the premises licence at Brunel News, Unit 2D, 2 Havelock Square be revoked.

4. Alternative Options

- 4.1 It would be possible to defer the determination of the review application to a date within five working days of the day (or the last day) on which the hearing was held, or to defer the hearing itself to a specified date (or dates) where it is considered to be necessary for the authority's consideration of any representation or notice made by a party. However, either step should be seen as an exceptional measure.

5. Implications, Diversity Impact Assessment and Risk Management

Financial and Procurement Implications

- 5.1 There are no direct financial implications arising from the report. Failure to reach a reasonable conclusion, based on the facts, could lead to crime and disorder, or to unwarranted damage to the business in question. Either scenario could raise issues of compensation. In the case of an appeal, the Council could become liable for costs.

Legal and Human Rights Implications

- 5.2 A declaration has been made by the Secretary of State that the Licensing Act is compliant with the Human Rights Act. None of the relevant Articles of the Human Rights Act has absolute sway over the others. Article 8 deals with a right to undisturbed home life; Article 10 gives the right to free expression, including the right to entertain; Article 1 of the Protocol says that licences are 'possessions', which the holder has a right to enjoy. Common sense has to be used, in balancing each of these against the other.

Re: Licence Review – Brunel News 4D Havelock Square, Swindon.

Brunel News is a Licensed Premises and operates under a premises licence (881130405LAPRE) issued by Swindon Borough Council (SBC) on 18th September 2013. The premises licence holder is Sonar DOGAN. The licence was issued in accordance with the Licensing Act 2003 to allow the sale by retail of alcohol Sunday to Tuesday 0700 - 2300hrs, Wednesday to Saturday 0700 - 1900hrs and Sunday prior to a Bank Holiday Monday 0700 - 2100hrs. The premise opening hours are Sunday to Tuesday 0700 - 2300hrs, Wednesday to Saturday 0700 - 2200hrs and Sunday immediately prior to a Bank 0700 - 2300hrs.

The Designated Premises Supervisor(DPS) is Ali KABALA.

On the 26th April 2016 Wiltshire Police conducted a routine visit at Brunel News at the time of the visit there was a male working in the location that had received no training about his responsibilities around the sale of alcohol, DOGAN was contacted and a licensing check was conducted at the time.

As a result of this check the following breaches of the conditions on the premise licence were discovered.

The male working at the shop stated he had not received and training and after speaking to DOGAN he was unable to produce any training records. This employee has worked at the premises for around 6 months.

Conditions 10 and 11 on the premise licence state

10. Staff selling alcohol shall be subject to refresher training every six months and records of training shall be retained on the premises. Records of training shall be made available to enforcement officers on request.

11. Suitable staff training shall be completed by any new employee prior to beginning their first shift to prevent the sale of alcohol to customers who are already intoxicated. This training shall be documented and refresher training undertaken at no greater than 6 monthly intervals. All training records shall be retained on the premises and made available to enforcement officers on request.

DOGAN was unable to produce a Challenge 25 policy and was unable to produce a refusals book

Conditions 8 and 9 on the premise licence state

8. A refusals book shall be kept on the premises to record any refusal to sell alcohol. The time, date, name of person refusing the sale and reason for refusing the sale shall be recorded in the refusals book. The refusals book shall be made available for inspection by a police constable or authorised officer on request.

9. A Challenge 25 policy shall apply to the premises and all staff alcohol serving shall be trained in the operation of the scheme so that anyone attempting to buy alcohol who appears to be under the age of 25 shall be asked for identification of age in the form of either a valid passport, photo driving licence, government issued identity card, or PASS accredited card or its equivalent successor card. If none of these forms of identification are supplied or that supplied is unacceptable, the sale shall be

refused and a record made in the refusals book.

DOGAN was unable to produce an incident book for the premise.

Condition 6 on the premise licence states

6. An incident book shall be kept on the premises and used to record any incidents of crime or disorder as soon as reasonably practicable. The entries should include the time, date and brief details of what has happened and those involved. The incident book shall be retained on the premises and made available to enforcement officers on request.

DOGAN was advised of these breaches and provided with a booklet produced by Wiltshire Police to give DOGAN and his staff some understanding of the requirements under the Licensing Act 2003. It provides advice on how to prevent making illegal alcohol sales and how to prevent breaching conditions attached to a premises licence.

A further visit took place on the 17th May 2016 where DOGAN produced all the required documents for the above listed breaches of the conditions.

On 31st January 2017 at 1138hrs PC DIFFIN attended the location as a result of reports of increased Anti Social Behaviour in the area and the sale of single cans of high ABV alcohol to local street drinkers from shops in the area.

At the time of the visit DOGAN and one member of staff were present in the store, PC DIFFIN noted that the Part B summary of the premise licence was not on display in the premise and was produced by DOGAN from under the counter.

DOGAN was unable to produce a current incident book for the premise.

Condition 6 on the premise licence states

6. An incident book shall be kept on the premises and used to record any incidents of crime or disorder as soon as reasonably practicable. The entries should include the time, date and brief details of what has happened and those involved. The incident book shall be retained on the premises and made available to enforcement officers on request.

DOGAN produced a form listing staff training but was unable to produce any documents stating what training had been delivered to staff. The document showed the last staff training had taken place and been recorded on 27/11/15.

Conditions 10 and 11 on the premise licence state

10. Staff selling alcohol shall be subject to refresher training every six months and records of training shall be retained on the premises. Records of training shall be made available to enforcement officers on request.

11. Suitable staff training shall be completed by any new employee prior to beginning their first shift to prevent the sale of alcohol to customers who are already intoxicated. This training shall be documented and refresher training undertaken at no greater than 6 monthly intervals. All training records shall be retained on the premises and made available to enforcement officers on request.

DOGAN was unable to produce a Challenge 25 policy although there were signs posted advising of this fact but there was no evidence of staff having been trained in

this policy.

Condition 9 on the premise licence states

9. A Challenge 25 policy shall apply to the premises and all staff alcohol serving shall be trained in the operation of the scheme so that anyone attempting to buy alcohol who appears to be under the age of 25 shall be asked for identification of age in the form of either a valid passport, photo driving licence, government issued identity card, or PASS accredited card or its equivalent successor card. If none of these forms of identification are supplied or that supplied is unacceptable, the sale shall be refused and a record made in the refusals book.

DOGAN produced a refusals book with the last entry having been dated 07/05/16 there were no entries past that date showing that the refusals book was not being used by staff to record refusals from that date.

Conditions 8 and 9 on the premise licence state

8. A refusals book shall be kept on the premises to record any refusal to sell alcohol. The time, date, name of person refusing the sale and reason for refusing the sale shall be recorded in the refusals book. The refusals book shall be made available for inspection by a police constable or authorised officer on request.

9. A Challenge 25 policy shall apply to the premises and all staff alcohol serving shall be trained in the operation of the scheme so that anyone attempting to buy alcohol who appears to be under the age of 25 shall be asked for identification of age in the form of either a valid passport, photo driving licence, government issued identity card, or PASS accredited card or its equivalent successor card. If none of these forms of identification are supplied or that supplied is unacceptable, the sale shall be refused and a record made in the refusals book.

KABALA was spoken to via telephone by officers and he stated that he had nothing to do with the running of the store and was only the DPS whilst waiting for DOGAN to get his personal licence. He confirmed that he had had no involvement in the location for the past 12 months and that DOGAN was running the store.

Wiltshire Police are asking that the premise licence at Brunel News be revoked on the grounds that DOGAN has failed to comply with the conditions of the premise licence on two occasions within a 12 month period and has been given advice and guidance by Police on compliance. It is believed that DOGAN will continue to breach the conditions on the premise licence and that KABALA will play no active part in the business as the DPS nor has he done so for some period of time.

The above shows that DOGAN is failing to promote the licensing objectives of Preventing Crime and Disorder and Protecting Children from Harm.

I, **Police Constable 1630 MICHAEL DIFFIN**, Police Licensing Officer, Licensing Department, Divisional Police Headquarters, Gablecross Police Station, Swindon, Wiltshire SN3 4RB will say as follows:

1. I am a Police Licensing officer for Wiltshire Police and I have been in post since April 2015. My role is to gather and collate evidence around Licencing issues. Wiltshire Police Licensee **Information**

Information for Licensees

This information pack has been designed to assist those working in premises that are licensed to sell alcohol for consumption on and off the premises.

The information provided will enable staff to be aware of the requirements under the Licensing Act 2003. It provides advice on how to prevent making illegal alcohol sales and how to prevent breaching conditions attached to a premises licence. This information is guidance only and the Premises Licence Holders should ensure they keep up to date with any changes to the legislation.

It is recommended that owners, managers, Designated Premises Supervisors, Premises Licence Holders, employees and any other person who helps in the business reads this guidance.

An example test that staff can take to check their understanding of the information is attached as Appendix A.

The Premises Licence

There are 2 responsible individuals named on a premises licence. The Premises Licence Holder which can be an individual or business and the Designated Premises Supervisor (DPS) which can only be a named individual. There is no requirement for a DPS on a club premises certificate and the licence is normally held by the club committee.

Responsibilities

1. Designated Premises Supervisor (DPS)

- Under the Licensing Act 2003 it is a mandatory condition that where a premises licence authorises the sale of alcohol there must be a Designated Premises Supervisor (DPS) and that no sale of alcohol may be made at a time when there is no DPS in respect of the licence.
- The only exception is for premises that are or form part of a church hall, chapel hall or other similar buildings; or a village hall, parish hall or community hall or other similar building. In order for the exception to apply the applicant must successfully apply to disapply the usual mandatory conditions.
- The DPS must be a personal licence holder. This ensures that where alcohol is sold, there is a person at the premises who has a relevant qualification and therefore an understanding of the social issues and potential problems linked with the sale of alcohol.
- There can be any number of personal licence holders working at a premises but only one can be named on the premises licence as the DPS.
- Only an individual can be the DPS and not a corporate body.
- The DPS must be appointed by the Premises Licence Holder and can be the Premises Licence Holder themselves if they are an individual and hold a personal licence. However as the position of DPS is one of responsibility the named individual must give their consent to become the DPS.
- The DPS should be the individual who has day to day control and responsibility for running the premises.
- The DPS is responsible for alcohol sales and therefore also responsible for any offences relating to alcohol sales.
- The name and contact details of the DPS are stated on Part B of the

Premises Licence. It is a legal requirement to display Part B at the premises. This allows Officers to easily identify who is in charge and ensure any problems that arise can be dealt with swiftly by engaging with this key individual.

- The DPS need not be on the premises at all times. They must however be able to ensure that the licensing objectives are properly promoted and that the licensing law and licence conditions are complied with.
- The Police are the only responsible authority that can object to the nomination of a certain person as DPS and only in exceptional circumstances where they believe the appointment would undermine the crime prevention objective.
- A person only ceases to be DPS if an application is made and granted to vary the DPS or the DPS informs the premises licence holder and licensing authority in writing that they are no longer the DPS of the premises.
- The DPS should leave a list of named persons who they have authorised to sell alcohol on the premises. This list should be kept by the till so it can easily be produced if requested by an officer from the police or local authority. This list should be signed and dated by the DPS.

2. Premises Licence Holder

- A Premises Licence Holder is any individual (aged at least 18) or body who carries on a business involving licensable activities on a premises.
- A Premises Licence Holder must ensure that a DPS is in place if the premises supplies alcohol.
- The Premises Licence Holder must ensure that the premises licence conditions are complied with and that the permitted licensable activities are carried out within the limitations set.

General Advice

To ensure compliance with the Licensing Act 2003, Wiltshire Police Licensing recommend the below information is understood and followed by all those involved in the premises.

The Premises Licence

- Staff know the licensed opening and activity hours attached to the premises licence.
- Staff are aware of the conditions attached to the premises licence which can be found on part A of the licence and they are designed to promote the Licensing Act 2003 objectives which are:
 - The prevention of crime and disorder
 - The protection of children from harm
 - The prevention of public nuisance
 - Public safety
- Staff are aware of whom to raise any concerns with, in relation to complying with these conditions/times.
- The DPS has day-to-day control over the sale of alcohol at the premises. It is recommended that as a personal licence holder, the DPS should carry out the training to staff relating to alcohol related sales.
- Personal Licence Holders carry their personal licence card with them so they are available for inspection by the police or local authority upon request.
- Part A of the licence is on the premises and Part B is prominently displayed at the premises.

Staff Training

- New and existing staff are trained and aware of all legal requirements relating to your business. This could include sale of alcohol to underage, sale of alcohol to drunks, Challenge 25 policy, Drug policy, dealing with violence, Health and Safety and Fire procedures.

- Training should be carried out and refreshed at least every 3 months. Please check your premises licence conditions in case this is required more frequently.
- Up to date records are kept of all training carried out. These should include what training was carried out, when and for whom. It is recommended that staff sign and date that they have received the training and that you test that they have understood it.
- Training records are kept for a minimum of 12 months. Check the conditions of your premises licence in case they are required to be kept for a different length of time.
- Staff are kept up to date with products and the age restrictions that apply.

Sale of age restricted products

- Your staff should be clear about how to deal with attempted purchases by underage persons and they should be confident enough to refuse sales when necessary. You should have a clear policy such as asking for photographic identification if there is any doubt about the person's age. It is not acceptable to guess or estimate a person's age.
- Staff only accept photographic proof of age e.g. Passport, Driving Licence or Student Card with a PASS hologram logo on it.
- Staff are encouraged to take a 'No ID, No Sale' approach to age-restricted products, or use the "Think 25" Policy. The Think 25 Policy involves staff refusing to sell age restricted products to anyone who appears to be under 25 years old, and does not have an acceptable form of identification.
- Staff know the importance of looking at the face of every customer: not all children are short!
- Staff exercise their rights to refuse to sell an item if they have concerns about its use.
- You have a method of recording refused sales for example a "Refusal Book" or "diary." This should be kept at the point of sale, or recorded electronically on the till, and should be

completed following each refused sale. A record should be made of the time, date, description of the young person, the product they attempted to purchase, and the reason for the refusal.

- The Refusals Book is monitored weekly to check for patterns in the times or days the sales are refused and whether all staff are using the book. This information may be useful when organising staff rotas as more staff may be needed at certain times.
- The person monitoring the Refusals Book signs and dates the book when they check it. Notes should also be made if any action is taken following the checks. This will help to demonstrate that the book is being monitored and used properly.
- Staff do not sell age restricted products to anyone suspected of buying on behalf of an underage person.
- Staff shall not sell alcohol to anyone who appears to be drunk or to uniformed police officers.
- Posters displayed near the counter stating the age limits for different products. This may put off potential purchasers and will act as a reminder to staff. You may also wish to display notices in staff areas, perhaps with warnings about the potential legal consequences of selling alcohol to children.

Food and Alcohol

- Customers must be 18 or over to legally purchase alcohol. However, if accompanied by an adult, a person aged 16 years or over may drink alcohol (wine, beer or cider only) when consuming a table meal.

Test Purchases

- Staff should be aware that underage volunteers carry out regular test purchases of age restricted products, on behalf of Trading Standards and sales can lead to prosecutions, large fines, a criminal record and a review of the premises licence. Volunteers may lie about their age.

Please note:

If an underage sale is made, it is worth noting that if you are not the actual seller, and you have done all you reasonably can in an attempt to prevent underage sales from your premises, you may be able to raise a due diligence defence* and avoid action being taken against you and a possible criminal conviction. Giving this training to all staff/helpers as an induction and regular refresher training will contribute to establishing a defence.

If you suspect any premises of making illegal sales of age restricted goods, or of being in breach of their premises licence e.g. trading outside of their licensed hours, please inform Wiltshire Police by calling 101

***Definition of due diligence defence: "The accused took all reasonable and practical steps to avoid committing the offence."**

Legal Requirements Summary

Alcohol

- It is a criminal offence to sell alcohol to a person under the age of 18, even if they look older.
- Staff under the age of 18 must not sell alcohol without the consent of an employee over 18. Consent is required each time a sale is made.
- Selling alcohol to a person under 18 puts the premises licence at risk of review, which could result in the licence being amended, suspended or revoked and/or the DPS being removed from the licence.
- Underage sales can result in a number of people in the business committing an offence. The seller, a personal licence holder, the premises licence holder, the DPS and the owner of the business may all face prosecution.
- The maximum fine for selling alcohol to someone under 18 is a £5,000 per offence and/or up to 6 months imprisonment. The court can also order that the personal licence is taken away from any personal licence holders involved. For the offence of persistently selling to children which is 2 sales within 3 months can result in a £20,000 fine and the premises can also be prevented from selling alcohol for up to 2 weeks.
- Alcohol is defined under the Licensing Act 2003 as being strength of 0.5% alcohol by volume (ABV) or above, and therefore the 18 age restriction applies to all products containing this ABV.
- It is a mandatory condition of the Licensing Act 2003, that where the supply of alcohol is one of the licensable activities, there must be a DPS named on the licence.
- Every supply of alcohol must be made or authorised by a person who holds a personal licence. It is recommended that the DPS gives written authorisation to all staff who sell alcohol.
- If the DPS informs the premises licence holder and Swindon Borough Council Licensing Team in writing that they are no longer the DPS for the premises, the premises cannot sell alcohol until a vary DPS application has been submitted.

Additional Information for Licensed Premises

Temporary Event Notices

- A temporary event notice (TEN) is a way of regulating 'one-off' events where the sale or supply of alcohol, the provision of regulated entertainment or the provision of late night refreshment shall take place. They can be used in two ways:
 1. To organise a small 'one-off' event, at any premises (where the premises is not already licensed), For example, a TEN could cover a disco in an unlicensed hall, function room, or any premises (including places in the open air) or
 2. To cover a small-scale event at a premises (which already has a premises licence or a club premises certificate), either to extend the hours already permitted, or to cater for additional activities (not covered by the existing premises licence or club premises certificate). For example, if a qualifying club would like to stage an event where members of the public can attend and benefit from the facilities; then, if a TEN is given, the public would be able to be admitted to the club premises on this occasion.
- Only the Police and the local authority exercising environmental health functions can object to a TEN.
- Objections must relate to one of more of the 4 licensing objectives:
 - Prevention of Crime and Disorder
 - Prevention of Public Nuisance
 - Public Safety
 - Protection of Children from Harm
- There are strict limitations which apply to TENs:
 - There may not be more than 499 people attending the event at any one time (including performers and staff)
 - The event may not last any longer than 168 hours or 7 days
 - There may only be 12 such events per year at any one premises
 - the total number of days (aggregate maximum period of time), per year covered by TENs at any one premises, is 21 days, irrespective of the number of events
 - if an event begins before midnight and continues into the next day, two

- days of the 21 days limitation have been used
- There must be a minimum of 24 hours between each event
- the 'premises user' may give 50 TENs in any one calendar year if s/he holds a personal licence, and 5 in any one year if s/he doesn't hold a personal licence.
- There are two types of TEN:
 1. Standard TENs involve at least 10 working day's notice being given. If an objection is received then a hearing will be held unless all parties agree that this is not necessary. The applicant may decide to withdraw or amend the TEN prior to a committee decision being made at a hearing. A hearing may result in the TEN being refused or granted with conditions. Only premises that already have licences can have conditions added to a TEN and the conditions can only be attached if they are already on the normal licence.
 2. Late TEN's involve 5-9 days' notice being given. However these should only be given in exceptional circumstances. If Environmental Health and or the Police object to a late TEN a counter notice will be issued without any opportunity for a hearing. This means that the event cannot take place. Conditions cannot be added to a late TEN.
- It is, however, recommended that you give your notice two to three months before the event.
- It is also recommended that during the course of a TEN, you adhere to the conditions of the premises licence (where the conditions are still applicable), and you include this intention on the TEN application form.
- If you require a TEN application form, please contact the Swindon Borough Council Licensing Team licensing@swindon.gov.uk

Suspension of Licence **Non Payment of Annual Fees**

Annual fees must be paid promptly when due. As of 25th April 2012 if annual fees are not paid, the licence is suspended 21 days after the payment due date. The licence remains suspended until the fee is paid. Trading while a licence is suspended is an offence and can lead to prosecution.

**Club Premises Certificate –
Supply of Alcohol for Consumption off the Premises**

1. Any supply of alcohol for consumption off the premises must be made at a time when the premises are open for the purposes of supplying alcohol, in accordance with the club premises certificate, to members of the club for consumption on the premises [73(3)].
2. Any alcohol supplied for consumption off the premises must be in a sealed container [73(4)].
3. Any supply of alcohol for consumption off the premises must be made to a member of the club in person [73(5)].

Club Premises Certificate – Exhibition of Films

1. The admission of children to the exhibition of any film to be restricted in accordance with any recommendation made by the British Board of Film Classification (BBFC), or other film classification body [74].

The following conditions took effect on 1st October 2014:

You must ensure that the operation of the premises, under the licence / certificate, also complies with these Mandatory Conditions, even though they are not printed on your licence/certificate document.

Condition 1 & 2 Irresponsible drinks promotion

(1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children –

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to –

- (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
- (ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;

(d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on –

- (i) the outcome of a race, competition or other event or process, or
- (ii) the likelihood of anything occurring or not occurring;

(e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to

refer to the effects of drunkenness in any favourable manner.

2. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).

Guidance

Drinking Games

Irresponsible promotions can include activities, whether drinking games or not, which may require or encourage individuals to drink a quantity of alcohol within a time limit, or drink as much alcohol as possible within a time limit or otherwise. For example, this may include organised 'drink downing' competitions. This would not prevent the responsible person from requiring all drinks to be consumed or abandoned at, or before, the closing time of the premises. Nor does it necessarily prohibit 'happy hours' as long as these are not designed to encourage individuals to drink excessively or rapidly.

Large quantities for free or fixed price

Irresponsible promotions can include the provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted price. This includes alcohol provided to the public or to a group defined by a particular characteristic, for example, a promotion which offers women free drinks before a certain time or "all you can drink for £10". This condition does not apply to a promotion or discount on alcohol for consumption with a table meal. Promotions can be designed with a particular group in mind (for example, over 65s). A common sense approach is encouraged, which may include specifying the quantity of alcohol included in it or not targeting a group which could become more vulnerable or present a greater risk of crime and disorder as a result of excessive alcohol consumption.

Prize or rewards

The sale, supply or provision of free or discounted alcohol or any other item as a prize to encourage or reward the purchase and consumption of alcohol can be within the definition of an irresponsible promotion. This may include promotions under which free or discounted alcohol is offered as a part of the sale of alcohol, for example, "Buy one and get two free" and "Buy one cocktail and get a second

cocktail for 25p". This includes promotions which involve the provision of free or discounted alcohol within the same 24 hour period.

Sporting Events

Irresponsible promotions can include the provision of alcohol for free or for a discounted price in relation to a sporting event shown on the premises, where the sale, supply or provision of alcohol depends on the outcome of a race, match or other event. For example, this may include offering unlimited drinks based on the outcome of a sporting competition. It also applies to events which are unpredictable, such as offering free double shots for every foul committed in a football match, or heavily reduced drinks for five minutes after a try is scored in a rugby match.

Posters and Flyers

Irresponsible promotions can also include the sale or supply of alcohol in association with promotional materials on display in or around the premises, which can either be reasonably considered to condone, encourage or glamorise anti-social behavior or refer to the effects of drunkenness in any favourable manner.

Dispensing alcohol directly into the mouth of another person

The responsible person must ensure that no alcohol is dispensed directly by one person into the mouth of another person. For example, this may include drinking games such as the 'dentist's chair' where a drink is poured continuously into the mouth of another individual and may also prevent a premises from allowing another body to promote its products by employing someone to dispense alcohol directly into customers' mouths. An exception to this condition would be when an individual is unable to drink without assistance due to a disability.

Condition 3 – free tap water

The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.

Guidance

Drinking water or potable water is water safe enough to be consumed by humans or used with low risk of immediate or long term harm. In most developed countries, the water supplied to households, commerce and industry

meets drinking water standards, even though only a very small proportion is actually consumed or used in food preparation.

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available on the premises. What is meant by reasonably available is a question of fact; for example, it would not be reasonable to expect free tap water to be available in premises for which the water supply had temporarily been lost because of a broken mains water supply. However, it may be reasonable to expect bottled water to be provided in such circumstances.

Condition 4 – Age verification policy

4. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.

(2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

Guidance

It is acceptable, and indeed encouraged, for premises to have an age verification policy which requires individuals who appear to the responsible person to be under an age greater than 18 to produce such identification on request. For example, if premises have a policy that requires any individual that appears to be under the age of 21 to produce identification that meets the criteria listed above.

Licence holders should consider carefully what steps they are required to take to comply with the age verification requirements under the 2003 Act in relation to sales of alcohol made remotely. These include sales made online, by telephone and mail order sales, and alcohol delivery services. Each of these sales must comply with the requirements of the 2003 Act.

The mandatory condition requires that age verification takes place before a person is served alcohol. Where alcohol is sold remotely (for example, online) or through a telephone transaction, the sale is made at this point but the alcohol is not actually served until it is delivered to the customer. Age verification measures (for example, online age verification) should be used to ensure that alcohol is not sold to any person under the age of 18. However, licence holders should also consider carefully what steps are appropriate to ensure that age

verification takes place before the alcohol is served (i.e. physically delivered) to the customer to be satisfied that the customer is aged 18 or over

Condition 5 – Drink Measures

5. The responsible person shall ensure that–

(a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures–

- (i) beer or cider: ½ pint;
- (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
- (iii) still wine in a glass: 125 ml; and

(b) customers are made aware of the availability of these measures.

Guidance

This can include making the availability of measures clear on menus and price lists, and ensuring that these are displayed in a prominent and conspicuous place in the relevant premises (for example, at the bar). Moreover, staff must make customers aware of the availability of small measures when customers do not request that they be sold alcohol in a particular measure.

This condition does not apply if the drinks in question are sold or supplied having been made up in advance ready for sale or supply in a securely closed container. For example, if beer is only available in pre-sealed bottles the requirement to make it available in ½ pint does not apply.

You must comply with Weights and Measures legislation where you should be displaying a minimum of 30 items on your menu with prices and measures.

This does not prevent you from serving larger sizes as well as the measures listed, such as 250ml wine, pints or doubles although all measures offered must comply with Weights and Measures legislation.
