Councillor Stan Pajak	Director of Finance (s151) Officer Rob Richards rrichards@swindon.gov.u k	Investment Property in South Swindon - Acquisition

(Liberal Democrat Spokesperson Resources and member of CISB) – OK to support but would like to be reassured that the effect of an EU no deal was contemplated amid our predictions of future income and value of the site. *Councillor Pajak has been advised that the outcome of negotiations on the exit from the EU are unknown, as is the effect in practice of any deal. However neither of the two lessees in this transaction is involved in importing or exporting to the EU and both provide essential services to a largely local market. As such, the impact of leaving the EU is likely to have much direct effect on the trading of the two companies concerned and consequently the investment value.*

Councillor Emma

				<p>Faramarzi (Member of CISB) – raised some queries and asked for clarification on various issues connected with the independent valuation report. The responses to these queries is set out in Appendix 2 to the report.</p> <p>Ward members for Liden, Eldene and Park South have been advised of the proposal and no adverse comments have been received.</p> <p>Date of Notice: 31st October 2018</p>

I am happy with the recommendation'</p> <p>Date of Notice: 31st October 2018</p>		
Affordable Housing Developments	No	Cabinet Member for Housing and Public Safety	Cabinet Member for Housing and Public Safety	The following Opposition Spokespersons have been consulted on the recommendations of the report and their responses are also summarised below:	Corporate Director Communities and Housing Mike Ash, Head of Housing mash@swindon.gov.uk	Affordable Housing Developments

Councillor Bushell - responded via e-mail (dated 30th October 2018) and stated "While we support the council seeking external funding sources to build new housing, the Labour Group believe HRA land should be used to build social/affordable housing for rent that will remain within the HRA stock".

Note that with respect to the Queens Drive Re-development land, it is proposed to demolish a significant number of social-rent council houses for rent onsite and convert an unspecified number of social-rent council properties to affordable-rent properties elsewhere. Therefore the number of shared ownership homes should be minimal and the majority of homes

				<p>built should be social housing for rent and retained as Housing Revenue Account stock, to ensure that there is no decrease in the number of social -rent properties resulting from the new development.</p> <p>Councillor Pajak stated “Very happy to support our seeking grant support for this important scheme to create homes”.</p> <p>Date of Notice; 8th November 2018</p>
