| Cllr Des Moffatt requested that a heatmap of UK Broadband consumers be circulated to members of Scrutiny. | <p>Response received from the Director of Digital Services and Corporate Programmes on 14<sup>th</sup> January 2019 as follows:</p> <p>The minute was discussed and it was indicated at the time the heat map of customers was a commercially confidential piece of data and, as such, I would feed this back only to the lead member if I could get a map from UKB. UKB could not provide it and have no contractual obligation to provide it.</p> | <p><b>Complete</b></p> <p>Reported to Scrutiny Committee at its meeting on 11 February 2019</p> |
