- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

At present, there are 11 forms of entry in the Northern Sector, an increase of three forms of entry from this time last year (February 2007). With an increase at a local Voluntary Aided Primary School from September 2008, there will then be 12 forms of entry available from September 2008 (this figure assumes and includes Abbey Meads Catherine Wayte and Haydonleigh Primary Schools continuing to provide 2 forms of entry at Reception). However, based on the existing school population and projections of growth in the Northern Sector, it is currently estimated that there is likely to be a need for up to 15 forms of entry by 2011, when the current programme of house building is expected to be completed. There is, therefore, currently an overall estimated shortfall of three forms of entry at primary level by 2011, and significant pressure on school places. This is to be mainly addressed by the establishment of a new primary school elsewhere in the Northern Sector of Swindon. However, the availability of a minimum 12 forms of entry at Reception can only be continuously achieved by the permanent expansion of Haydonleigh Primary School.
