Re: Street Trading in Swindon Town Centre

1<sup>st</sup> April 2009

Dear Mr Starling,

Thank you for your letter dated 3/03/09 regarding the above.

As a trader for the past 11 years in the town centre, I would like to have the following comments put to the committee;

1. The new pitches that will be available to Street Traders are not the most sufficient. There is a lack of public interest in these areas. How are we supposed to sell our products if we are out of sight?
2. Most of the Cafes in the town centre cannot cater for women with pushchairs, workmen, or the disabled. Being a Street Trader gives us the advantage to cater for these groups of people. We provide a quick and friendly service to all of our consumers.

As a Street Trader I would like the above comments put to the committee. I feel we should all work together to establish appropriate pitches for street traders.

I look forward to your response

Yours faithfully,

Mrs. M. Carchedi
