

Head of Internal Audit Update

AUDIT COMMITTEE

Date: 22nd September 2009

Author: Head of Internal Audit

Wards Affected: None

Purpose

To present Members with a summary of the main issues arising from the Internal Audit reports finalised since the Audit Committee meeting in July, and to update Members with regard to progress against the annual internal audit plan.

Recommendation

- It is recommended that the contents of the report be noted.

1 Reasons

- 1.1 The Council's Audit Committee has a strategic role to ensure that the Council's assurance framework is operating effectively. To this end it should seek assurance that key areas that contribute to this framework are operating properly.
- 1.2 The Council's Internal Audit section is a key component of the assurance framework and therefore it is essential that this Committee monitor its performance against the annual plan along with the implementation of agreed recommendations by Client departments.

Reports Issued

- 2.2 As at the end of July we have completed 27% of the plan against a target of 29% (our target allowed for the current vacancies we have – see below). Appendix 2 details the audits issued to date.

Section Update

- 2.3 We are currently still carrying 2.5 vacancies. One of these posts continues to be filled by a temporary agency appointment.

Date: 22nd September 2009

- 2.4 We are currently looking to recruit an Audit Apprentice through the Council's Apprenticeship Scheme and will be advertising for a School Auditor shortly to cover off the School Audit Plan. If successful, appointing to these posts should assist us in by using existing to cover the rest of the Audit Plan.
