

Hindu Gods Presentation

- Turn to the back of your book.
- Make a list of the names of all the Hindu gods/goddesses you can think of.

Our Aim

- Have researched why Hindus believe in God
- To understand the role of Hindu Gods in the lives of Hindus

What you have to do

To create a detailed presentation of at least 2 Hindu gods. You will have to share your presentation with the class and will gain a group level for....

- Describing and explaining gods
- Explaining why Hindus believe in these gods
- Analysing how these beliefs will affect their every day life

What should the presentation contain?

- **Pictures of gods/goddesses**
- **Key info –**
 1. Symbolism of the gods/goddesses.
 2. Stories surrounding the gods/goddesses.
 3. Character and roles of the gods/goddesses.
 4. Why people worship particular gods.
- **To gain a higher level you must –**
 1. Explain the **similarities and differences** between the different gods and show why this might be so.
 2. Offer your **own opinion** about the gods with **reasons**
 3. Do some **independent research** about the different gods and write this work up in your own words.
 4. **Explain why** people worship particular gods.
 5. Consider how it helps Hindus face issues in **today's world**.

How will you be marked?

Level	Descriptor
3	Your presentation is clear and includes some information about four different gods . There is little detail about what they are like.
4	Key information about the gods has been described in more detail . Similarities and differences between the gods have been highlighted. You have also explained why people might worship these gods.
5	You have provided detailed information that you have gained from a variety of sources and put in your own words . Similarities and differences between the gods have been explained. You have explained in more detail why people might worship these gods, how it would impact on Hindus' lives and provided your own opinions.
6	More than four gods have been compared and analysed for reasons for similarities and differences. You have explained in detail why people choose to worship different gods and used evidence to back up your own opinions . You have considered the ways and challenges that Hindus face worshiping different gods in today's world .
