Suggested outcomes of meetings

- Sharing ideas and practice
- A support network
- Keep up to date with current issues
- Development of RE in our schools

Minutes

1. We split up into two groups to discuss our different exam boards. It was a good opportunity to share ideas and to discuss which resources and textbook we use to teach the more difficult topics. The people present taught the AQA or OCR- Philosophy and Applied Ethics.
2. We shared some ideas about revision strategies and these will be photocopied and sent to RE departments to use. Thanks for the ideas!
3. We then discussed what resources we would need for a resource bank and we all agreed that we needed more up to date DVDs for A level and GCSE teaching. It was also suggested that what we would really like is a

list of useful visiting speakers/ places to visit so that we could make better use of our multi-faith community.

4. Lottie suggested that it would be great if we could get funding for each of our schools to produce a video for a particular topic and then we could all share them.

5. Date of next meeting- 18th April
