Swindon Investment Group - Minutes of Meeting Held on Monday 5<sup>th</sup> November 2012

### **5. Economic Strategy**

IP gave an update to the progress of the economic strategy which is now out for consultation, with a short consultation period. The meeting expressed their support for this piece of work and most felt that it was targeted correctly for Swindon's future and was a strong accompaniment to the Local Plan, giving the economic context for structuring Swindon's future growth. All outlined strong support for the document.

Swindon Development Delivery Panel - Minutes of Meeting Held on Tuesday 13<sup>th</sup> November 2012

**5.7 LD** requested that a view from the DDP was expressed in relation to the Economic Strategy consultation via the minutes. The panel believe the Economic Strategy is a step forward as it is the first document of its kind which has been produced for the town and they are fully supportive of it.
