Dear Sirs,

Application for a Premises Licence, Morrisons, 47 Devizes Road, Wroughton SN4 0SA

I write in respect of the application made on the 20th of June in relation to the above. I wish to register our strong objection to the granting of a licence and to present the arguments supporting our position;

1. There are already two supermarkets serving the village of Wroughton. These already provide a good level of service and have flexible opening hours. They are both located in the centre of the village along with other shops and services. In addition we now understand that Waitrose are considering building a supermarket as part of the Wichelstowe development.
2. The Three Tuns intersection is already a busy junction with a less than optimal layout. It is surrounded by residential property. Parking on Marlborough Road is already congested and we now understand that a further, separate application for a housing development is to be made for land near the bottom of Marlborough Road, on the opposite side. In addition, we regularly suffer from inconsiderate drivers parking on the road outside the betting shop in Devizes Road. Any further development is going to have a severely detrimental impact on the traffic situation, which is already poor.
3. My mother, who lives next door at No 4, is elderly and disabled. Since my father's death earlier this year she now lives alone and relies on her mobility scooter to get into the village to access the shops and doctors surgery. An increase in traffic around the Three Tuns intersection will make access into the village more hazardous for her and other elderly people, of which there are many in Wroughton. Furthermore, there is already a tendency for large groups of youths to congregate outside the shops at the Ellendune and many older

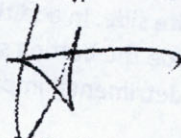

- people find this intimidating. If this behaviour is replicated it will cause my mother further concern. It is also probable that this could lead to increased noise and disruption.
4. Any outlet for late night sales of alcohol brings with it the prospect of an increase in minor criminal activity – both ourselves and our neighbours have been the victims of break ins to our gardens and sheds and we have an unlit agricultural access running across the backs of our properties. We are therefore deeply concerned with safety and security and for my elderly mother this is an even greater worry.
 5. The proposed opening hours are entirely unacceptable. My wife and I both get up early to go to work and do not need our sleep disturbed by the comings and goings associated with a retail outlet that is open until 11:00 pm seven days a week, with the added risk of noisy and disruptive behaviour by its late night customers.
 6. I appreciate that at present this is an application for an alcohol licence but I would also point out that a previous application for a housing development (S/12/1522) was withdrawn when objections were raised to the demolition of the Three Tuns building, a significant historical landmark in the context of this part of Wroughton. I would presume that Morrisons would also seek to demolish the building and for the same reasons the housing development was opposed this development should also be opposed.

In summation;

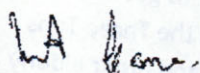

- We do not need another supermarket retailer in Wroughton, and we do not require another outlet for the sale of alcohol.
- The proposed location is not appropriate in relation to the overall layout of the village.
- This proposal will adversely impact on an already poor traffic and parking situation.
- This proposal will increase the level of risk for elderly people making their way into the village centre.
- This proposal is likely to lead to congregations of youths, causing concern to residents, increasing noise levels and impacting on the quality of life for all local residents.
- This proposal raises significant concerns about an increase in crime, and safety and security worries for local residents.
- The requested opening hours will cause unacceptable disruption to the residents in this part of Wroughton.
- We do not support any development of the Three Tuns site which would result in the demolition of the existing Three Tuns building.

I therefore wish to register our strongest objection to the proposed development, and the related granting of an alcohol licence. I trust you will take the concerns of local residents into account when making your decision on this application.

Yours sincerely,

Vince and Wendy Cane, 6 Moormead Road

Mrs MA Cane, Moormead Road

Dear Madam/Sir

I have the following concerns regarding this application:-

- We really do not need another retailer of alcohol in this village. Five convenience stores (Coop, Tesco, McColls, Coventry Farm Stores, Alexandra Park shop and several public houses is surely enough for a village of this size.
- The volume of traffic likely to enter and leave the site throughout the day and into the night poses a severe risk to public safety. Already, drivers coming down Brimble Hill have a clear view of any traffic approaching on Moormead Road. If they see the road ahead is clear, they turn left without even slowing for the roundabout, often exceeding the 30mph speed limit. The traffic entering and leaving the site constitutes a real hazard. I don't think the licence can be given until measures are taken to mitigate this problem. With a planning application for more than 100 homes to be built just off Brimble Hill (expected submission September), this could only exacerbate the existing traffic problems
- The late night comings and goings in a primarily residential area will be a nuisance to those residing close to the site, particularly those living opposite, as will any illuminated signage, car park lighting etc.

For these reasons, I would like to see the application rejected.

Yours sincerely
Mrs Amanda Woodhead
[redacted] Greens Lane
Wroughton
SN4 0RJ

Dear Sir/Madam

I have the following concerns regarding this application:

- * We really do not need another retailer in the village selling alcohol. We have Tescos, Coop, the newsagents - Coventry Farm news and also the Newsagents in the Ellendune and the butchers.

We also have more than enough pubs.

- * The volume of traffic will be increased. To enter and leave the site. It is already hard enough trying to get off our drive and the cars speed along, more than 30 miles an hour. Already drivers speed down Brimble hill, and often turn left without even slowing down as they have a clear view along Moormead road. In my opinion, this is an accident waiting to happen
- * The path is not wide enough around the roundabout, and it is unsafe for children, on bikes, walking etc. This is a real hazard already without extra cars,
- * Late night noise. We already had noise from the hotel opposite when it was open, this was bad enough, especially in the summer months, however with the plans for Morrison being in a residential area, the increased noise will in my opinion be worse.

For these reasons I would like to see the application rejected

Regards

Linda Matthews

Dear Sir,

I have the following concerns regarding this application:-

- We really do not need another retailer of alcohol in this village. Three convenience stores (as well as the shop at Alexander Park) and several public houses is surely enough for a village of this size.
- The volume of traffic likely to enter and leave the site throughout the day and into the night poses a severe risk to public safety. Already, drivers coming down Brimble Hill have a clear view of any traffic approaching on Moormead Road. If they see the road ahead is clear, they turn left without even slowing for the roundabout, often exceeding the 30mph speed limit. The traffic entering and leaving the site constitutes a real hazard. I don't think the licence can be given until measures are taken to mitigate this problem.
- The late night comings and goings in a primarily residential area will be a nuisance to those residing close to the site, particularly those living opposite, as will any illuminated signage, car park lighting etc.

The Three Tuns pub obviously had an alcohol license before it closed. This caused little disruption due to the way in which their customers would use the pub, i.e. walking instead of using their car were as people using the convenience store would use their car more causing more and more traffic through a congested village road system.

For these reasons, I would like to see the application rejected.

Regards,

Stuart Green

John Gregory

■■■ Moormead Road, Wroughton, Swindon, SN4 9BS

Dear Sir

I am writing reference the application by Morrisons to turn the former Three Tuns pub in Devizes Road in Wroughton into a convenience store.

I live opposite the site and am naturally worried about the increased noise, light and pedestrian and car traffic from the store, which as a convenience store will be open for extended hours. In the long term I am also concerned about the effect this will have on the value of our property.

However my main concern is the traffic situation. The pub is situated on a busy road which suffers congestion especially during the morning rush hour and the entrance to the car park is very close to a roundabout. The roads leading to this roundabout all have limited vision of approaching traffic on the other feeder roads and we daily hear the squeal of brakes and the car horns blaring which signify another near miss. With increased traffic turning into the Morrisons carpark and the subsequent build up of queues behind cars turning across Devizes Road, this situation will only get worse. Add to this the increased pedestrian traffic trying to cross Devizes Road (a risky undertaking even now) and it is a recipe for disaster. I believe that the previous application to build a number of houses and flats on the site was rejected because there were concerns from local residents about the increased traffic congestion and the safety of all road and pavement users in the area. Surely these factors are still applicable to the new plans and, as the store will generate more short term users, are even more relevant.

Wroughton is currently well served by the Co-op supermarket and Tesco Metro store, both of which sell a wide range of goods and have extended opening hours. Shortly we will also be able to drive the short distance to the new Waitrose store being built in the Wichelstowe area. There are also other smaller privately owned convenience shops and a butchers shop in Wroughton. Why does Wroughton need another supermarket chain to open another extended hours convenience store? If it is to service the increasing population in the new Wichelstowe development where I believe there not currently a local convenience store, surely it would be better to encourage Morrisons to look for a site there. Encouraging Wichelstowe residents to drive to Wroughton to shop increases road traffic on all roads in Wroughton and is hardly a "green" option. There are also concerns that the increased competition in Wroughton might force the Co-op to close and the fate of the post office within the store, which is a vital facility for the many elderly residents of Wroughton, would be uncertain.

For the safety of all residents, road users and potential shoppers, the application to build a Morrisons convenience store on the Three Tuns site needs to be reconsidered and rejected.

Yours faithfully

Judi Russell

Hi

I write with regards to the plans to turn the Three Tuns pub into a Morrisons.

I am completely against this proposal. This would be an unnecessary addition to the present shopping facilities of Wroughton.

Also the location is on a busy and dangerous section of road.

It angers me that not only are you considering increasing the traffic by the plans, there is a strong possibility this section of road will also be effected by a new development.

I use Marlborough Road (the road that joins the roundabout outside the pub) on a daily basis and continuously witness road rage on the road, which is already too narrow for existing traffic.

Considering the current housing deficient would the Three Tuns pub not be better suited for conversion to residential property.

I would appreciate confirmation that this is e-mail has been received .

Amanda while

SWINDON SN1 2JY

Dear Sirs

With reference to the recent article in the Swindon Advertiser concerning Morrisons' application for a trading licence in Wroughton, I would like to make a few points regarding this scheme.

The first one is that another supermarket is not needed in this area. We are well served with the Co-op and the Tesco Express; and the, possible, forthcoming Waitrose on Mill Lane. We have also a family butcher in the Ellendune Centre, where local produce can be obtained. Another worry about this piece of planning is that if the Co-op decides there is too much opposition, then it could pull out from the area. This would be disastrous as we would then lose our post office. This facility is vital to the village.

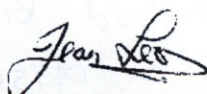

I don't know if any of our councillors have visited the planned site, but it is situated on a corner where three very busy roads come together at a mini roundabout. At certain times, between 8.30 am and 9 am for instance, the roads are extremely busy with workers going up and coming down Marlborough Road, and both Devizes Road and Moormead Road (both fairly narrow) carrying two-way traffic. Do we want more road users visiting a supermarket? And one is filled with horror at the prospect of those large delivery lorries trying to get in and out of the site. At least they are helped as far as the Co-op is concerned, but there is little that can be done at this particular junction.

Wroughton has been famous for its many pubs, and although quite a few have now disappeared we still have plenty to satisfy our community. Please don't plan to bring noise and misery to the neighbours of the Three Tuns.

What we do need is more affordable housing, and this would be a much better suggestion for the site. Plus the Three Tuns building could be turned into flats, keeping the outside of it as a familiar reminder of its original use.

Morrisons is a business intent on making money. They do not really care if they upset local people and cause misery and danger. Swindon Borough Council is there to consider the wishes and the welfare of the people they represent. Please be on our side with regard to this matter.

Yours faithfully

REF: Licensing application by Morrisons
Three Tuns site, Wroughton

Dear Sir

Our bungalow is situated directly opposite the "Three Tuns" building and we wish to object to the granting of an alcohol licence on this site.

If the licence is granted, it follows that a planning application will be submitted to SBC for retail unit/units. Our concerns are:

- 1 Would there be sufficient parking?
- 2 Traffic problems with vehicles entering and exiting the site
- 3 Light pollution would be a nuisance to neighbouring properties
- 4 The Wroughton Co-Operative store has an alcohol licence in operation from 8am to 10pm. Tesco's licence operates from 6am to 11pm. Also the two newsagents in the village, the convenience store at Alexandra Park and the new Waitrose store at Wichelstowe all have alcohol licences. We therefore submit that there is no call for an additional outlet for the sale of alcohol in the village.
- 5 We are concerned that if this development takes place, disruption or worse from customers late at night could cause serious problems to the nearby residents, i.e. antisocial behaviour.
- 6 To obtain a comprehensive selection of goods, at competitive prices, it is necessary to travel out of Wroughton; another convenience store in Wroughton would therefore be of no benefit to its residents
- 7 The senior Conservation Officer SBC has already advised against the previous planning application for this site, and states that the preferred development would be for the conversion of the present building into residential units. This arrangement would be the most acceptable to ourselves and a more fitting plan for the area.

We therefore request that this application is rejected.

Yours faithfully *Betty Spalding* *DE Spalding*

N.B. Since composing the above we have heard from two separate sources, that there is a distinct possibility that the Wroughton Co-operative Supermarket will close, if the Morrisons convenience store becomes a reality. Therefore residents without transport would find an increased cost to their shopping bills.

I/~~We~~ wish to oppose the licence application submitted by Morrisons at 47 Devizes Road, Wroughton SN4 0SA for the following reasons:

- Highways- Increased level of traffic at a busy roundabout
- Noise - traffic plus increase of people gathering from 7am until 11pm
- Safety of pedestrians due to increase of traffic
- Risk of social disorder - selling alcohol for the purpose of drinking off the premises
- Lighting - possibly 24 hours with security lighting, or from when the staff arrive (6.30am?) to when they leave (11.30pm?)
- Question the need for more off licence sales in Wroughton when we already have The Co-op, Tesco's Express, McColl's Newsagent, Coventry Farms Newsagent and the Convenience Store at Alexander Park already selling Alcohol

- Highways- Increased level of traffic at a busy roundabout
- Noise - traffic plus increase of people gathering from 7am until 11pm
- Safety of pedestrians due to increase of traffic
- Risk of social disorder - selling alcohol for the purpose of drinking off the premises
- Lighting - possibly 24, hours with security lighting, or from when the staff arrive (6.30am?) to when they leave (11.30pm?)
- Question the need for more off licence sales in Wroughton when we already have The Co-op, Tesco's Express, McColl's Newsagent, Coventry Farms Newsagent and the Convenience Store at Alexander Park already selling Alcohol

Ref: Opposing the Application for a licence at Morrisons, 47 Devizes Road, Wroughton SN4 0SA

I/~~We~~ wish to oppose the licence application submitted by Morrisons at 47 Devizes Road, Wroughton SN4 0SA for the following reasons:

- Highways- Increased level of traffic at a busy roundabout
- Noise - traffic plus increase of people gathering from 7am until 11pm
- Safety of pedestrians due to increase of traffic
- Risk of social disorder - selling alcohol for the purpose of drinking off the premises
- Lighting - possibly 24, hours with security lighting, or from when the staff arrive (6.30am?) to when they leave (11.30pm?)
- Question the need for more off licence sales in Wroughton when we already have The Co-op, Tesco's Express, McColl's Newsagent, Coventry Farms Newsagent and the Convenience Store at Alexander Park already selling Alcohol

Ref: Opposing the Application for a licence at Morrisons, 47 Devizes Road, Wroughton SN4 0SA

I/We wish to oppose the licence application submitted by Morrisons at 47 Devizes Road, Wroughton SN4 0SA for the following reasons:

- Highways- Increased level of traffic at a busy roundabout
- Noise - traffic plus increase of people gathering from 7am until 11pm
- Safety of pedestrians due to increase of traffic
- Risk of social disorder - selling alcohol for the purpose of drinking off the premises
- Lighting - possibly 24, hours with security lighting, or from when the staff arrive (6.30am?) to when they leave (11.30pm?)
- Question the need for more off licence sales in Wroughton when we already have The Co-op, Tesco's Express, McColl's Newsagent, Coventry Farms Newsagent and the Convenience Store at Alexander Park already selling Alcohol

Please confirm you have received this letter
