Resolved - That a Premises Licence be issued to Morrisons for the site at 47 Devizes Road, Wroughton, Swindon for the following hours of operation:

Monday to Sunday – 07:00 hours until 23:00 hours.

### Reasons

(1) The Panel discounted objections relating to highway issues, planning issues and competition as it had no legal power to consider them and noted that where applicable these would be the subject of separate applications to the proper authorities..

(2) The Panel considered objections raised in respect of possible underage sales but were content that appropriate safeguards were in operation based on (a) the testing procedures outlined by the representative of Morrisons at the hearing, (b) the existing policies operated by Morrisons, including a Challenge 25 Policy, and (c) the training programme for employees set out at the hearing.

(3) The Panel considered objections based around potential nuisance caused by youths congregating in the car park on the site but found no evidence to support this view and heard evidence from the applicants in respect of management policies to prevent such situations arising.

(4) The Panel considered objections based on potential noise nuisance, particularly in the late evening including traffic resulting from visits to the store. The Panel found that there was no evidence to suggest that there would be significant issues arising from the site and furthermore noted that there had been no reviews brought against other stores in the village on these grounds. It further noted that the site was previously used as a public house with a licence until 2:00am and determined that the use of the site as a supermarket was likely to create less potential nuisance than this former use.

(5) The Panel considered the potential for additional alcohol related problems arising from the grant of a Premises Licence but found no basis to uphold such an argument based on the management experience and history of the management Morrisons stores and given the fact that there were already premises in the village selling alcohol. The Panel heard no evidence that a Morrisons store at the proposed location would create any drunkenness or social disorder.
