

Internal Audit Charter

Audit Committee

Date: 16th September 2014

Author: Head of Internal Audit
Wards: None
Locality Affected: None
Parishes Affected: None

1. Purpose and Reasons

- 1.1 At the September 2013 Audit Committee Members received and approved an updated Internal Audit Charter that met the requirements of the Public Sector Internal Audit Standards. It was agreed that the terms of reference for Internal Audit would be reviewed annually.
- 1.2 The Council's Audit Committee has a strategic role to ensure that the Council's assurance framework is operating effectively. To this end it should seek assurance that key areas that contribute to this framework are operating properly.

2. Recommendations

The Committee is recommended to:

- 2.1 It is recommended that the Audit Committee reviews and approves the Internal Audit Charter.

3. Detail

- 3.1 The requirement for an Audit Charter is set out in the Public Sector Internal Audit Standards (PSIAS). These Standards are mandatory guidance that constitutes the principles of the fundamental requirements for the professional practice of internal auditing within the public sector and for the evaluation of the effectiveness of Internal Audit's performance.
 - 3.2 The Public Sector Internal Audit Standards have replaced the CIPFA's Code of Practice for Internal Audit in Local Government as the mandatory guidance for internal audit in the public sector.
 - 3.3 One of the requirements of the PSIAS is for an Audit Charter to be in place. The Internal Audit Charter is a formal document that defines Internal Audit's purpose, authority and responsibility. The internal audit charter establishes Internal Audit's position within the organisation, including the nature of the Head of Internal Audit's functional reporting relationship with Audit Committee; rights of access to records, personnel and physical properties relevant to the performance of audits; and defines the scope of internal audit activities.
 - 3.4 Last year amendments were made to the terms of reference to reflect the change from the CIPFA to the IIA standards. Following a review of the terms of reference by the Head of Internal Audit no further amendments are recommended this year.
