

Disabled Children's Charter for Health and Wellbeing Boards

The **Health and Wellbeing Board** is committed to improving the quality of life and outcomes experienced by disabled children, young people and their families, including children and young people with special educational needs and health conditions. We will work together in partnership with disabled children and young people, and their families to improve universal and specialised services, and ensure they receive the support they need, when they need it. Disabled children and young people will be supported to fulfil their potential and achieve their aspirations and the needs of the family will be met so that they can lead ordinary lives.

By [date within 1 year of signing the Charter] our Health and Wellbeing Board will provide evidence that:

1. We have **detailed and accurate information** on the disabled children and young people living in our area, and provide public information on how we plan to meet their needs
2. We **engage directly with disabled children and young people** and their participation is embedded in the work of our Health and Wellbeing Board
3. We **engage directly with parent carers** of disabled children and young people and their participation is embedded in the work of our Health and Wellbeing Board
4. We set **clear strategic outcomes** for our partners to meet in relation to disabled children, young people and their families, monitor progress towards achieving them and hold each other to account
5. We **promote early intervention** and support for smooth transitions between children and adult services for disabled children and young people
6. We work with key partners to **strengthen integration** between health, social care and education services, and with services provided by wider partners
7. We provide **cohesive governance** and leadership across the disabled children and young people's agenda by linking effectively with key partners
