- 3.9 The Committee has also received full Internal Audit reports on the following service areas where an audit has been carried out and an opinion of 'significant' or 'of concern' risk has been identified. For all these reports relevant Members and officers have attended to provide explanations and details of progress made in implementing agreed audit recommendations:
- Tenancy Engagement

 - Licencing: Private Hire and Taxis
- 3.10 The Committee's terms of reference also include responsibility for oversight of the treasury management function. Therefore an audit report on Treasury Management was also presented to the Committee. The report identified that there was a high standard of internal control within the system resulting in only a moderate risk to the Council.
