- 1.2 The Council's Audit Committee has a strategic role to ensure that the Council's assurance framework is operating effectively. To this end it should seek assurance that key areas that contribute to this framework are operating properly.
- 1.3 The Council's Internal Audit section is a key component of the assurance framework and therefore it is essential that this Committee monitor its performance against the annual plan along with the implementation of agreed recommendations by Client departments.

3. Detail

Progress on completion of Internal Audit Plan 2015/16

- 3.1 Details of audits finalised since the September Audit Committee meeting are set out in Appendix 1. The appendix sets out the key audit recommendations made along with the overall risk assessment to the Council.
- 3.2 Appendix 2 sets out progress against the 2015/16 plan as at the end of October 2015. Currently 43% of the number of the audits in the audit plan has been completed against a target of 52%.
- 3.3 Unfortunately progress against the plan has slipped. This has been due, in the main, to the number and complexity of investigations that the section has been involved with. The Head of Internal Audit has met with leadership teams to agree the prioritisation of audits for completion during the remainder of the year
