<p><u>POLICY CD5 – DPS (Designated Premises Supervisor)</u></p> <p>The Authority will normally expect that the designated premises supervisor (DPS), where applicable, shall be in day to day control of the licensed premises and to achieve this, they shall live no further than a 30-minute normal commuting distance from the licensed premises.</p>	<p>They shall also be easily contactable when not on the premises.</p>
<p><i>Additional information</i></p> <p>2.17 <i>The Authority accepts that community premises are used by a wide variety of people and may be hired by users of the premises for private events. However, where the management committee take on the role of being responsible for the sale by retail of alcohol, instead of a DPS, they must ensure that those running events are sufficiently briefed and understand the legal and social responsibilities associated with the supply of alcohol under the premises licence.</i></p>	<p>Should this be documented, within the management committee's policy document or similar?</p>
<p>POLICY PCH2 – ‘Challenge 25’</p> <p>The Authority will normally expect that premises authorised to supply alcohol for either consumption on or off the premises will operated a Challenge 25 policy, such that all customers who appear to be under the age of 25 shall be challenged to prove that they are over 18 when attempting to purchase alcohol. The Authority would expect that the only acceptable forms of</p>	<p>Off-licences should maintain a refusals register</p>

<p>identification for proof of age would be a photo driving licence, passport, or home office approved identity card bearing the holographic "PASS" mark. It is further expected that where such a scheme is in operation, all staff working at the premises should be fully trained and aware of the scheme and appropriate training records maintained.</p>	
<p>POLICY PCH3 – Film classification</p> <p>Where a premises licence or club premises certificate authorises the exhibition of a film, the Authority will normally specify that the admission of children to any exhibition shall be restricted in accordance with any recommendation made by the British Board of Film Classification (BBFC) or in the absence of such a recommendation, the Licensing Authority itself. Any recommendation by the Licensing Authority to restrict the admission of children to an exhibition of a film will normally be made in accordance with the current BBFC Classification Guidelines.</p> <p>The Authority will normally expect that any request for a recommendation on the restriction of the admission of children to an exhibition of a film is made no later than 4 weeks prior to the proposed exhibition, or first exhibition as the case may be.</p>	<p>I believe that videogames, that are age rated should also be caught here.</p>

<p>Licence Reviews</p> <p>3.6 The Licensing Authority can consider a review of a premises licence where it is alleged by a Responsible Authority, such as the Police, Fire Authority or an Interested Party, that any of the licensing objectives are being undermined. It views particularly seriously applications for the review of any premises licence which involves the:</p> <p>□ use of licensed premises for the sale and distribution of classified drugs and the laundering of the proceeds of drugs crimes;</p>	<p>should this include NPS's (legal highs)?</p>
