Licence review – King and Queen, 15 High Street, Highworth, Swindon

The King and Queen is a licensed premises and operates under a premises licence (881050492PREM) issued by Swindon Borough Council (SBC). The premises licence holder is Daniel PRUETT and at the time of the offences taking place records indicate Daniel PRUETT as the Designated Premises Supervisor (DPS). The licence was issued in accordance with the Licensing Act 2003 to allow the sale of alcohol from 1000hrs until 0100hrs every day and late night refreshment 2300hrs until 0100hrs every day.

Intelligence had been received that the King and Queen was serving alcohol after its licensing hours and local officers were tasked to make enquiries.

In the early hours of 07/02/16 local officers were carrying out plain clothes patrols when they entered the King and Queen and witnessed several sales of alcohol after the terminal hour of 0100hours. They remained on the premises until 0130hrs throughout this time alcohol continued to be sold.

At 0141hrs uniformed officers entered the King and Queen where they witnessed males stood at the bar with drinks in front of them. One of these males was Mr PRUETT the DPS and the current premises licence holder. PC PHELPS describes him to be drunk whilst they were discussing the situation with him and when asked if he was drunk he stated that he was but was not working.

Mr PRUETT was asked to show the officer the till entries since 0100hours which showed a number of sales made after 0100hours one of which included the sale of 13 pints of Stella. This till screen was photographed at the time as evidence. (Please see Annex 1 for Police Witness Statements and Annex 2 copy of till screenshot).

It is an offence under s.136 (1) of the Licensing Act 2003 to carry on Unauthorised licensable activities

(1)A person commits an offence if—

- (a) he carries on or attempts to carry on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation, or
- (b) he knowingly allows a licensable activity to be so carried on.

On the 12/02/16 Mr PRUETT received a caution for the offence and a discussion took place about what steps would be taken against the premises licence. (Please see Annex 3 for PRUETTS Police Caution (Restricted material not for public disclosure)) As a result of this conversation on the 18/02/16 Mr PRUETT was sent a letter requesting 3 conditions be added to the licence by way of variation.

1. The sale of alcohol shall cease at 0100hours and the premises shall be clear of all persons apart from staff at 01.30hours.
2. The till system shall record all sales of alcohol made at the premises and include information of the seller, the date and the time. The till system shall be maintained to ensure that it is displaying the correct time.
3. CCTV equipment which is fit for purpose and which covers all areas of the bar and till points, smoking areas and entrance areas shall be provided and maintained in working condition at all times. The CCTV product will be maintained for a minimum of 28 days and shall be provided to enforcement bodies on request. There must be a

person on the premises able to download CCTV at all times the premises is open for trading.

(Please see Annex 4 Letter to Mr PRUETT)

Mr PRUETT has been given ample time since the 17/02/16 to make this variation however no variation has been forthcoming. (Please see Annex 5 Contact with the King and Queen)

This has led Wiltshire Police no other option other than to apply to review the King and Queen premises licence and request the 3 conditions above be applied to the premises licence to prevent further crime and disorder at the location.

On the 03/02/16 Mr PRUETT made an application to become DPS at the premises. (Please see Annex 6 for DPS application and police objection)

Following the unauthorised sales witnessed on the 07/02/16 Wiltshire Police made an objection to the application due to the concerns that Mr PRUETT would not be an appropriate individual to be responsible for this licensed premises on a day to day basis and his failure to uphold the licensing objectives.

Since that objection Mr PRUETT has withdrawn his application to be a DPS and another has been submitted.

On Sunday 7th February 2016, I was on duty with PC 1903 YEATES.

We attended the King and Queen Public House, High Street, Highworth at around 00:50 in plain clothes to observe the licensing practices in the pub.

PC YEATES ordered us a drink each just before 01:00. I had half lemonade and then we stood at a table adjacent to the bar, in front of the entrance door to the pub. On entry into the pub I could hear music playing on a speaker system of some sort. I cannot recall exactly when this was stopped but it was during the time I was in there between 12:50 and 01:30.

Just after 01:00, one of the staff rang a bell and told everyone to drink up. I would describe him as Asian, medium build. I continued to watch the bar staff as I have been told that they should stop serving alcoholic drinks after 01:00.

I watched one barman who I would describe as white, bald and wearing a white and blue horizontal striped top, he was at the spirits and I watched him put some sort of alcohol in 4 glasses and then he took them to the bar, topped them with a soft drink and took payment from the customer. I checked my watch and noticed that the time was now 01:10.

I then saw the other barman who I would again describe as white with brown wavy style short hair, wearing dark clothing, take a pint glass and pull a pint, handing it to a customer and taking payment. This was around 1:15.

The stripy top barman served a female customer with ginger hair a bottle of cider and a spirit of some sort at around 01:20 I believe.

At 01:30 just before me and PC YEATES left the premise I saw the stripy top barman again serve a male customer with 4 shots of some alcoholic drink. At the angle I was I could not say what alcohol it was but it was a spirit of some sort. I watched the barman using the card machine for this transaction. The customer was given the device to put his pin in and I saw the barman rip the paper print out from the machine.

Whilst these transactions were taking place the male who rang the bell would shout every 5 minutes or so for everyone to drink up but the barmen continued to serve in between their restocking of the fridges.

There was also a male in there who now I have checked pictures on the police system, I know to be Danny PRUET. I would describe this male as intoxicated because he was slurring his words and having quite a loud conversation with a customer. I would say he was around a 7 on a scale of drunkenness, 1 being sober and 10 being paralytic. He was stood next to the bar but did not go behind it from what I could see. At 01:41hours on SUNDAY 7TH FEBRUARY 2016 I was on duty in full uniform in company with WPC 1384 PHELPS. At this time we entered the KING & QUEEN PUBLIC HOUSE, 15 HIGH STREET, HIGHWORTH, SN6 8NN.

Over the previous weeks we have received a number of complaints of loud noise, rowdy behaviour, glasses being smashed outside, screaming, shouting, reports of fighting and things being damaged at the venue.

The previous week WPC 1384 PHELPS and I had been on duty and we had conducted a patrol of the HIGH STREET at around 01:45hours and we had seen a large number of people leaving the KING & QUEEN and we had commented that it seemed late for them to still be open. As a result WPC 1384 PHELPS obtained a copy of their Premises Licence.

In the week commencing Monday 1st FEBRUARY 2016 I read the Premises Licence and I was surprised to see that it restricted the KING & QUEEN to the sale of Late Night Refreshment and Sale by Retail of Alcohol until 01:00hours, every day.

This means that they should not be serving customers after that time. Furthermore as they do not have specific displayed hours of opening they have an additional 30 minutes on the terminal hour which I believe to mean that in any case by 01:30hours they must be empty of customers - the half-hour for "drinking-up" time after the last sale of alcohol or late night refreshment at 01:00hours.

At 01:35hours I spoke to PC 1903 YEATES and WPC 2399 WILTSHIRE who had just returned from the KING & QUEEN.

They explained how they had seen bar staff serving alcohol and receiving payment well after 01:00hours. WPC 2399 WILTSHIRE said "THEY LINED-UP A ROW OF JACK DANIELS AND COKE SHOTS ON THE BARI".

WPC 1384 PHELPS and I then made our way to the KING & QUEEN.

As we approached the door I saw a male who identified himself to us as James KELSO. He immediately appeared nervous as his voice was shaken and squeaky when he said "WE ARE JUST CLEARING OUT NOW". I opened the front door and I said "CAN WE SPEAK PLEASE?". He nodded and we walked past the bar to talk.

As I walked I could see at least 5 men stood at the bar drinking alcohol. One of these men, who was later identified as Mark said in a drunken slur "YOU WANT A PINT?" and he lifted a full pint glass of lager into the air with his right hand in a kind of "CHEERS" motion. I said to Mark

"WE HAVE RECEIVED SEVERAL COMPLAINTS ABOUT THE LICENCEABLE ACTIVITIES CONDUCTED HERE WHEN YOU SHOULD BE CLOSED. FOR EXAMPLE YOU SHOULD BE EMPTY AND CLOSED AND SHOULD HAVE STOPPED SERVING AT 1AM BUT TWO PLAIN-CLOTHES POLICE OFFICERS WHO WERE IN HERE EARLIER TO SEE WHAT YOU WERE DOING WILL STATE THAT ALCOHOL WAS STILL BEING SERVED AFTER 1AM AND THE BELL HAD RANG".

[REDACTED] looked uncomfortable and shuffled on his feet as he said "ER, ERM". At that time another male appeared. He identified himself as Daniel PRUETT and he said "THAT'S [REDACTED], HE IS A SLOW DRINKER". I explained that we had caught them out and explained the licence they had in effect.

PRUETT said "I DON'T EVEN HAVE THE LICENCE WE HAVE, WELL ENTERPRISE HAVE BEEN TRYING TO GET IT FOR TWO YEARS." As he spoke I could smell alcohol on his breath and I could see that his eyes were glazed and watered.

WPC 1384 PHELPS said "I GOT THIS WITHIN TWO DAYS!" and held up a copy of the licence for them to see. [REDACTED] said quickly "I WAS JUST COMING DOWNSTAIRS I WASN'T WORKING TONIGHT".

I said to PRUETT "CAN WE SEE THE TILL PLEASE?". As he walked towards the till I could see that he was unsteady on his feet and I said in surprise "ARE YOU DRUNK?". He replied "YEAH, WELL I'M NOT WORKING TONIGHT". I said "I AM CONFUSED HERE, MR. KELSEY HERE SAYS HE IS NOT WORKING, YOU SAY YOU ARE NOT WORKING, WHO IS IN CHARGE HERE TONIGHT?". I received no answer.

PRUETT then mashed at the electronic key pad on the screen and I could see no less than four transactions. On the top left hand side of the till screen I could see that it said 01:50hours and I looked at my watch and the times were identical. I could see the following information on the screen which I took a photograph of:

01:10am - £15.60 - 3 House Vodka, 2 Captain Morgan, 2 Jack Daniels (all with coke)
01:12am - £6.60 - Kopperberg, Double House Vodka
01:28am - £48.10 - 13 pints Stella
01:38am - £25.60 - Couldn't see transaction details.

I then looked at the detachable card payment machine and I could see that the screen displayed a time of 01:15hours to my watch time of 01:50hours.

I was shocked, over 20 drinks including 13 pints of STELLA were served almost 30 minutes after the licensable hours had ended. It was outrageous, showing flagrant disregard to the law. No wonder people had been complaining to Police about what they had seen.

We then left and as we did I obtained the names of the two bar staff a Mr. [REDACTED] and Mr. [REDACTED]. I said "I WANT THIS PLACE CLEARED AND CLOSED, NOW". MR. KELSEY said "YES OF COURSE!".

We then left.

I printed the photographs I had taken off as exhibits JN/1.

I am WPC 1384 of the Wiltshire Constabulary currently stationed at Highworth Police Station employed as Community Beat Manager.

Following several complaints that the Landlord of the King and Queen, High Street, Highworth, has been serving alcohol after his permitted licencing hours and also a number of reports of disorder in the High Street around 0200 hours in the morning at weekends where it has been clearly evident that those involved had just left that public house, PC 2399 WILTSHIRE and PC 1903 YEATES attended the venue at approximately 0050 hours on Sunday 07 February 2016 in plain clothes to observed the licencing practices.

At approximately 0135 hours that day PC WILTSHIRE and PC YEATES returned to Highworth police station where they advised me and PC 1966 NEWMAN that they had observed alcohol being served and paid for after 0100 hours when the licence ends. PC WILTSHIRE confirmed that there were two male bar staff and both had been observed to sell alcohol.

PC NEWMAN and I then made our way in full uniform in a marked police vehicle, to the High Street. We arrived at the King and Queen at 0141 hours where I saw a group of females leaving the pub and getting into a vehicle on the opposite side of the road. Directly outside the door was a male that I now know to be [REDACTED]. [REDACTED] said "HELLO" to PC NEWMAN and me and then said "I'M JUST TRYING TO CLEAR THIS LOT OUT".

PC NEWMAN opened the door to the pub and as the three of us walked in I saw approximately 5 males stood at the bar. One of the males, later identified by staff as [REDACTED], had a full pint of what appeared to be lager on the bar in front of him. As we walked through the bar to a quieter area towards the rear of the pub this male said to PC NEWMAN "DO YOU WANT A PINT?" From his manner and volume I believed this male to be drunk.

Once we were away from the males and to the rear of the bar, PC NEWMAN said to [REDACTED]. "WE ARE HERE BECAUSE WE HAVE RECEIVED COMPLAINTS ABOUT THE LICENCING ACTIVITIES CONDUCTED HERE WHEN YOU SHOULD BE CLOSED. YOU SHOULD HAVE STOPPED SERVING AT 1 O'CLOCK AND SHOULD BE EMPTY AND CLOSED BUT TWO OF OUR COLLEAGUES HAVE BEEN IN HERE THIS EVENING IN PLAIN CLOTHES AND HAVE OBSERVED THE SALE OF ALCOHOL AFTER 1 O'CLOCK. THIS IS IN BREACH OF YOUR LICENCE. WE HAVE ALSO OBSERVED CUSTOMERS OUTSIDE OF THE PREMISES WITH OPEN VESSELS OF ALCOHOL, I CURRENTLY HAVE A WINE GLASS IN THE POLICE VEHICLE WHICH IS ALSO IN BREACH OF YOUR LICENCE. YOUR LICENCE ALSO STATES THAT YOUR OPENING HOURS ARE 30 MINUTES AFTER YOUR LICENCING HOURS, IT'S NOW QUARTER TO TWO AND YOU STILL HAVE CUSTOMERS WITH FULL DRINKS."

Just as PC NEWMAN had finished explaining the situation, a male that I know from previous dealings to be Daniel PRUETT approached. PRUETT asked what was going on. PC NEWMAN explained the situation again. I also spoke to PRUETT who confirmed that he had recently applied to be the designated premises supervisor. Whilst speaking to PRUETT I noticed that he smelled strongly of intoxicating liquor, his eyes were bloodshot, he was unsteady on his feet and his speech was slurred. I formed the opinion that he was drunk.

Both ~~KELSEY~~ and PRUETT were very defensive. ~~KELSEY~~ stating that he had been upstairs and had just come down to clear the bar. They both stated that they do stop customers leaving with drinks or glasses and PRUETT explained that Swindon Borough Council had not provided Enterprise with a copy of their licence for over two years. I said to him "YOU DO KNOW YOUR LICENCING HOURS THOUGH DON'T YOU" to which he nodded as I went on to say "THE BELL WAS RUNG AND CUSTOMERS ASKED TO DRINK UP AT 1 O'CLOCK SHOWING THAT YOU KNOW WHEN YOU SHOULD STOP SERVING". As I held up a copy of the premises licence I said "I GOT THIS WITHIN TWO DAYS"

PC NEWMAN then asked PRUETT what kind of till and card machine was used in the pub and could he show us how it worked. As PRUETT walked behind the bar he was again very unsteady on his feet and PC NEWMAN exclaimed with surprise "ARE YOU DRUNK?" PRUETT stated that he was and further stated that he was not working. PC NEWMAN then said "I'M CONFUSED, BENJAMIN SAID THAT HE WASN'T WORKING AND YOU WEREN'T WORKING EITHER, WHO WAS IN CHARGE THEN?" PRUETT did not reply.

PRUETT reluctantly showed the card reader and explained that he could provide a daily report which would show all of the transactions for the day. He also confirmed that the card reader at that time displayed a time of 0115 hours when in fact it was 0149 hours. The till was checked and this was displaying the correct time. PRUETT was asked to show us the till which he asked if he had to do? PC NEWMAN explained that if he did not the till would be seized as evidence. PRUETT begrudgingly brought up the daily report on the till and this showed a number of transactions after 0100. On further inspection each transaction could be viewed to show exactly what had been sold. This showed every transaction contained alcoholic beverages.

PC NEWMAN took a number of photographs of the till display on his work mobile phone and then gave PRUETT strong words of advice regarding his licencing activities.

PC NEWMAN then took details of the two male bar staff that had been observed to sell alcohol after 0100 hours by PC WILTSHIRE and PC YEATES.

Throughout our dealings with him, PRUETT showed no remorse for his blatant disregard of his licencing conditions and the local authority. Not only was alcohol being served after the permitted hours for the premises, but the alcohol was being served to customers who were clearly already very intoxicated.

PC NEWMAN and I then left the venue.

(I can ask you for a copy of the full list of notifiable occupations.)
- 6 If I apply for certain jobs, either paid or unpaid, that need me to have a criminal records check (CRB check), you might give my new employer information about this simple caution. (CRB checks are needed for nearly all jobs where you work with children or vulnerable adults, as well as for other sensitive jobs involving a high level of trust.)
- 7 If the offence I have admitted is included in the Education (Prohibition from Teaching or Working with Children) Regulations 2003 (as amended), accepting this simple caution means I will not be allowed to do certain jobs which involve working with children. You have told me if this is the case, I will be committing an offence if I carry out (or try to carry out) any of those jobs. My name might be added to List 99 which is a list kept by the Department for Children, Schools and Families of people who are not allowed to carry out certain jobs involving children and young people. It may also be taken into account by the Independent Safeguarding Authority in reaching decisions about the suitability of persons to work with children or vulnerable adults, once the new Authority commences its work under the Safeguarding Vulnerable Groups Act 2006.
- 8 If the offence I have admitted is a sexual offence, I understand that accepting this simple caution may mean that you will add my name to the Violent and Sex Offender Register and I will have to agree to certain conditions you explain to me. You have told me if this is the case and explained the conditions I need to agree to, and I agree to those conditions.
- 9 I understand that accepting this simple caution may mean that some countries will not allow me to live there permanently, and some may not allow me to visit (for example, on business, for a holiday or as a student).

I have read and understand all this information and I agree to accepting a simple caution for the offence(s) shown above

Dear Mr Pruett,

Thank you for meeting with PC Diffin and I on Friday 15th February 2016 where you received a caution for carrying on unauthorised licensable activities.

When we met I stated I would be in touch to discuss action against the premises licence. I have taken time to consider the best course of action in relation to such a breach and believe in order to reduce the likelihood of future incidents that you as the premises licence holder will make a minor variation to the premises licence to include the below conditions:

1. The sale of alcohol shall cease at 0100hours and the premises shall be clear of all persons apart from staff at 01.30hours.
2. The till system shall record all sales of alcohol made at the premises and include information of the seller, the date and the time. The till system shall be maintained to ensure that it is displaying the correct time.
3. CCTV equipment which is fit for purpose and which covers all areas of the bar and till points, smoking areas and entrance areas shall be provided and maintained in working condition at all times. The CCTV product will be maintained for a minimum of 28 days and shall be provided to enforcement bodies on request. There must be a person on the premises able to download CCTV at all times the premises is open for trading.

I will make contact with you on Monday the 22nd February to discuss with you however I do need to make it clear that if no variation is forthcoming then we will look to review the premises licence to have these conditions placed upon the licence.

If further sales of alcohol are witnessed after the permitted licensable hours then we will be taking further enforcement action against the licence and the DPS.

If there are any questions in relation to the above please do not hesitate to contact me.

Yours sincerely

Thanks Danny. You will need to resend this to the council as they are saying they haven't received it. You will need to do this along with the minor variation to add the conditions onto the licence.

Thanks

I rang Joseph Heaton to check that he was no longer involved with the premises which he is not and hasn't been for over a year. when I spoke with Danny Pruett he advised that the day he withdrew his application he put Benjamin Kelsey forward to the council however this has never come through to us. He was advised that he should resubmit and also cc to me. we discussed the variation application and he will also do that.

Dear Mr Pruett,

Thank you for returning my call earlier this evening. As you have now agreed to implement the below conditions please can a variation be made to the licence to include those below - a link to the relevant paperwork can be found on Swindon Borough council website. I will look to receive the paperwork for this variation within the next 14 days. A check of the premises will also be made by Wiltshire Police officers over the coming weeks to ensure the conditions are being implemented at the premises.

Kind Regards

Spoke with Danny Pruett regarding the CCTV survey he had carried out at the premises which came in at £10,900. I advised that it did not need to be an all singing and dancing system but purely allow me to review to ensure they are closing on time etc. I have given him 1 more week to agree the condition or it will be going to review.

Attended the King and Queen and met with Daniel PRUETT who was given a caution for s.136 by PC DIFFIN. Staff training had been completed today 12/02/16 in relation to Challenge 25 however this was confused and also spoke about challenge 25 and 21. He stated that he would get staff to check the licence and hours etc. Mr Pruett was warned that we may consider review or conditions to attach to the licence to prevent the sale of alcohol after hours again. He was also warned regarding his behaviour and the fact that on 3 separate occasions he has been drunk on the premises and is in a position of responsibility.

Dear Kathryn and Fiona,

RE – Mr Daniel Pruett, DPS Application

Following receipt of the attached application to vary a premises licence to specify an individual as Designated Premises Supervisor for The King And Queen, 15 High Street, Highworth, checks have been carried out of Police records on the above person in accordance with force procedures. Following these checks Wiltshire Police have concerns regarding the suitability of Mr Pruett as the DPS for the premises.

Please consider this an objection to the application for variation on the grounds that it would undermine the crime prevention objective.

Kind Regards

Sian
