08.00hrs to Midnight. The Premises Licence Holder and Designated Premises Supervisor is Mr Ali Sari.

3.3 Since the receipt of the application for review by the Licensing Authority and application to transfer the premises licence and DPS has been received.

3.3 The grounds for the review are stated in the Police's application as follows:

3.3.1 On 3rd December 2016 at 23:42hrs, Wiltshire Police officers attended the premises following a call for assistance from a lone male working at the store who identified himself as Aqeelshah Hider, reporting that two males had been in the store and one had stolen 2 cans of Oranjeboom and a packet of Marlborough cigarettes after being refused credit. Mr Hider provided a statement to the Police confirming that he is employed at the store and that he was prepared to sell the Marlborough cigarettes to the male attached as **Appendix D**

One of the males was detained in the area by Wiltshire Police Officers and recovered a white packet of Marlborough cigarettes that were foreign branded and labelled. Mr Ali Sari did not wish to take the matter any further so no Police action has been taken.

The Police Licensing Officer PC Diffin was made aware of the Marlborough Cigarettes and they were handed to Swindon Borough Council Trading Standards for further investigation.

PC Diffin conducted checks with Home Office Immigration with regards Aqeelshah Hider as at the time of recording his statement police officers were concerned of his reluctance to attend court.

Immigration checks confirmed that Mr Aqeelshah Hider as being Syed Aqeel Haider Shah who was illegally in the UK and has no right to work in the country.

3.3.2 On 8th December 2016 at 11:17hrs Police Officers attended the premises in an attempt to locate Mr Shah and to conduct a licensing check. Mr Shah was not on the premises, however, staff training records were located which showed on 7th April Mr Shah signed under the name of Haider Shah and Mr Sari had countersigned the records.

On entering the premises one person was working namely Khurshid Ahmed who stated he worked at the premises for five hours a week and had worked at the premises for a number of years. He is a personal licence holder.

A check was made of tobacco at which time officers observed that there were few cigarettes on display. When Mr Ahmed was asked if there was any other tobacco in the store Mr Ahmed produced a bag from a shelf under the till which contained a number of foreign labelled packs. Photographs are contained within **Appendix A**

3.3.3 On 12th December 2016 Shah was arrested by PC Diffin and is being dealt with by Immigration.

Review of a Premises Licence in respect of Efes, 131 Manchester Road, Swindon, SN1 2AF

Licensing Panel

Date: 3rd April 2017

- 3.3.4 Whilst at the premises on 8th December 2016, PC Diffin also noted that a number of licensing conditions were being breached, namely conditions 9, and 10.

Condition 9 states:

‘A weekly stock check of alcohol and tobacco shall be undertaken, to ensure that the stock present reflects the purchase receipts for goods which are intended for sale on the premises. A record of those stock checks shall be made available for inspection by authorised officers on request’.

There were no recent recorded or dated checks on documents at the location.

Condition 10 states:

‘A register shall be maintained in the form of a book with consecutively numbered pages, setting out the full name of the any person who is employed or carried out any unpaid work as part of the business, showing on a daily basis who is working that day and the times when they are present. The register shall be made available for inspection by authorised officers, at any reasonable time’

Mr Ahmed was unable to produce the register and stated he did not know of one.

- 3.4 Wiltshire Police are asking the panel to revoke the premises licence at Efes 131 Manchester Road due to the serious nature of the activity.

Such activity includes ‘knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person’s leave to enter’. In addition ‘Where reviews arise and the Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance is seriously considered’.

- 3.5 The Panel is requested to consider the application for the review of the premises licence from the Wiltshire Police and supporting evidence, having regard to Swindon Borough Council’s Statement of Licensing Policy and the Guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.

- 3.6 It is also recommended that in considering the application and supporting information, the Panel seek clarification of dates and times included within the application and statements from Wiltshire Police, Shah and Trading Standards.

4. Alternative Options

- 4.1 It would be possible to defer the determination of the review application to a date within five working days of the day (or the last day) on which the hearing was held, or to defer the hearing itself to a specified date (or dates) where it is considered to be necessary for the authority’s consideration of any

representation or notice made by a party. However, either step should be seen as an exceptional measure.

5. Implications, Diversity Impact Assessment and Risk Management

Financial and Procurement Implications

- 5.1 There are no direct financial implications arising from the report. Failure to reach a reasonable conclusion, based on the facts, could lead to crime and disorder, or to unwarranted damage to the business in question. Either scenario could raise issues of compensation. In the case of an appeal, the Council could become liable for costs.

Legal and Human Rights Implications

- 5.2 A declaration has been made by the Secretary of State that the Licensing Act is compliant with the Human Rights Act. None of the relevant Articles of the Human Rights Act has absolute sway over the others. Article 8 deals with a right to undisturbed home life; Article 10 gives the right to free expression, including the right to entertain; Article 1 of the Protocol says that licences are 'possessions', which the holder has a right to enjoy. Common sense has to be used, in balancing each of these against the other.

- 5.3 All Other Implications (including Staff, Sustainability, Health, Rural, Crime and Disorder)

This report relates to the requirements of licensing legislation.

- 5.4 Diversity Impact Assessment

It is not considered that the preparation of a DIA is required in respect of this report.

- 5.5 **Consultees**

The Director of Law and Democratic Services (Monitoring Officer) is consulted in respect of all reports.

- 5.6 **Background Papers**

Licensing Act, 2003

Secretary of State revised Section 182 Guidance

Please state the ground(s) for review (please read guidance note 1)

This application to review the premises licence for Efes is based on evidence which shows a breach to the licensing objective of:

Crime & Disorder – For knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person's leave to enter the UK.

Crime & Disorder - The premises is being used for the sale of smuggled and foreign cigarettes and tobacco.

Crime & Disorder - Failure to comply with conditions on a premise licence. Offences under Section 136(1) Licensing Act 2003.

Para 11.28 –

"Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the license – even in the first instance is seriously considered".

Illegal working has harmful social and economic effects within the UK, it undercuts British businesses and their workers that stay within the law and exploits migrant workers. As long as there are opportunities for illegal working, the UK will remain an attractive place for illegal immigrants. Partners are working very hard to impact upon and disrupt employers breaking the law by taking tough action against those who do so.

There is evidence that illegal workers are paid less than the minimum wage, do not pay tax, and may be doing work that breaches health and safety regulations. Employers who use illegal workers may do so to exploit a vulnerable person, may be connected with human trafficking and avoid providing national minimum standards such as the minimum wage or paid holiday. This is extremely harmful to the exploited workers and enable dishonest employers to gain an unfair advantage over competitors who operate within the law of the United Kingdom.

Licence Objection for Efes at 131 Manchester Road

I am Matthew White, a Senior Trading Standards Enforcement Officer, acting on behalf of the Swindon Borough Council Trading Standards service. I wish to object to the granting of a premise licence to Mr Ali Sari (date of birth 13/10/1980), as I have concern about the prevention of crime, particularly in relation to the sale of illicit tobacco. This is primarily based on the fact that counterfeit tobacco has been found on the premises. I have summarised below, the history of events relating to the premises that give rise to my concern.

14/08/2015

Trading Standards visited the premises and the underage refusals register was not being used contrary to the licencing requirements.

15/4/2016

Complaints were received by Trading Standards about illicit tobacco being sold under the counter.

26/08/2016

On Thursday the 8th of December 2016, Swindon Borough Council Licencing and Wiltshire Police visited 131 Manchester Road in Swindon. On entering the store they found Khurshid AHMED born 25/02/1952 of 105 Broad Street, Swindon working behind the till. He said he worked for Ali SARI, the shop owner. A quantity of suspect tobacco was found being sold for £5 a packet. This comprised of 15 different types of tobacco product.

This tobacco was signed over to me for examination. I suspect that all of the seizure is illicit tobacco and some of the tobacco is smuggled and that duty had not been paid. I sent samples of tobacco for analysis by the brand owner representatives and some of the samples returned have already been confirmed as counterfeit. The labelling on some of the tobacco is not in English which constitutes a product safety offence where health warnings are legally required to be in the language of the member state they are sold in.

Alleged TS offences: S12 Consumer Protection Act 1987 (for breaching The Tobacco Products (Manufacture, Presentation and Sale) (Safety) Regulations 2002 (foreign labelled/no health warnings)

S92 Trade Marks Act 1994 (counterfeit cigarettes)

Alleged HMRC offences: Tobacco Products Duty Act 1979

Other alleged offences: S327 Proceeds of Crime Act 2002 (money laundering)
Conspiracy to commit all the above offences

I am employed as a shop assistant in Efes Off Licence in Manchester Road, Swindon. At some point between 1130hrs and 1145hrs on Wednesday 30th November 2016 I was in the store by myself when two males entered the store one male was a white male, he was fat and about 6ft 1ins tall, this male was in his late twenties and had brown short hair and a beard. This male was wearing a t shirt I think it may have been the same colour as skin but I cannot be sure. I recognised this male as he had been in the store many times before over the last few months, he would come in once or twice a week, I do not know his name but I would recognise him if I saw him again. The second male looked like he may have been mixed race, he was in his mid-twenties, he was about 5ft 8ins tall and medium build, I think he had dark hair but he was wearing a hat I think. He was also wearing a coat, but I am not sure of the colour, I have not seen this male before but I would recognise him if I saw him again.

These males walked up to me at the counter, they were only a few feet away from me, the fat man asked me for Chesterfield and Marlboro cigarettes, I gave a pack of 20 Marlboro cigarettes in a white packet, they would normally cost £9.50pence. This male then asked for a bottle of ENJ brandy, I gave him a bottle of this which was valued at £16.99pence. The fat male took these items and then asked me for store credit, I told him that we do not do that and that he would have to pay for the items, he refused and said that he would pay tomorrow. I tried to take the Brandy from him but he kept hold of the bottle, we struggled for a couple of seconds and then he gave me the brandy. Following this he took two bottles of Orange Boom beer valued at £2.22pence in total.

Whilst I was doing this I called my Boss Ali SARI and asked him to come to the shop, he arrived a few minutes later. Ali told the fat man to put the items back but he refused and left with the mixed race male followed by my Boss.

During this the mixed race kept saying that they would pay for the items "TOMORROW" but he didn't physically touch anything.

Nobody has the right to take anything from the shop without paying, but the fat man is a normally a good customer and I think that he should be able to come back to the shop again as long as he doesn't mis-behave. I do not think that this man should go to Court and I do not want to go to Court. I do not wish to pursue a complaint against either of these males.
