The report also invited Cabinet to consider a recommendation on a preferred bidder to operate Lydiard House and Park, to secure a sustainable future for this popular local facility, and sought authority for officers to undertake the necessary due diligence and additional negotiations to enable Cabinet and to make a final decision about the future operation of the House and Park in the autumn 2017.

Following his introduction of the report, Councillor Perkins, with the Leader of the Council, responded to questions put by Councillor Jim Grant, the Leader of the Labour Group, on the sustainability of both the preferred bid and the reserve bid, the openness and transparency around the process for the transfer of the future operation of Lydiard House and Park, and the preferred bidder's, and the other bidders', access to, and reliance upon, Heritage Lottery funding.

Councillor Oliver Donachie, the Cabinet Member for Housing and Homelessness, and the Director of Public Health, submitted a joint report, seeking Cabinet's agreement to a refresh of the Council's Private Sector Housing Renewal Assistance (PSHRA) Policy (originally approved by Cabinet in July 2003). It was noted that the policy would outline the mandatory and discretionary housing assistance currently available to Swindon residents to assist them with the cost of adaptations, essential repairs and energy efficiency improvements to their homes.
