

Cabinet 12th July 2017
Written responses to Public Questions
(Standing Order 28)

Mr Tim French asked the Leader of the Council if there were plans to refresh the Council's minibuses as the present fleet was approaching ten years' old.

The Leader responded:

Thank you for your question. The Council is currently examining its future options for the fleet within our aim of securing value for money and I expect a report to come to Cabinet late in 2017 or early in 2018. I can confirm that the Council has no plans to dispose of the current vehicles.
